

Achievement Gap Reduction (AGR) Goals for 25-26

- We are in our tenth year of the Achievement Gap Reduction (AGR) program. Requirements for the AGR program consist of mid-year and end-of-the-year reports given to the school board about the success in attaining the objectives stated for each grade level and the strategies used.
- [DPI's AGR Criteria](#) and [Frequently Asked Questions](#)
 - The AGR program requires a participating school to create performance objectives, including reducing the achievement gap between low-income students in that school and students in the same grade and subject statewide.
 - The AGR program requires school board review of implementation and progress towards achieving performance objectives in each participating school at the end of every semester.

Grade Level	Performance Objectives	End of Semester / Data	Strategy/ Strategies Used	Goals Met
Kindergarten Reading/Language Arts	<ul style="list-style-type: none"> ● 85% of students show 85% accuracy of all upper and lower case letter names ● 75% of students show 75% accuracy of (36/48) sight words 	 Seme...	Coaching 16:1	0 of 2

- Coaching has been provided by CESA staff and teaching staff during professional development opportunities. PD has been offered in-house by CESA 11 consultants. It has also been led by and/or supported by Shannon Bignell, Becky Hanestad and Angela Hellmann.
- Most objectives are for the end of the school year.
