PREFACE

This handbook is to provide information for parents and students that may be interested in the interscholastic activities program of the Browning Public School, District #9, Browning, Montana.

It is impossible to list all the details about the various athletic programs in this handbook. **Each coach will handle situations that arise according to the signed copy of individual coach's rules in conjunction with the activities handbook. This manual is not all-inclusive, and each coach may have additions, which they will give to the athletes and parents at the parent meeting.**

This handbook will be reviewed annually and modified when necessary. However, as long as a policy or regulation is in effect, parents and athletes are expected to support and follow them.

WELCOME

Welcome to the activities program at Browning Middle School, Napi Elementary and Babb Elementary. We are excited about your participation in one or more of our activities and hope that you have a positive learning experience from your efforts.

The contents of this manual are designed to answer most of the questions you may have about the operation of our activities program.

The athlete in grades 6th, 7th & 8th grade is required to have passed a physical examination for the current school year on file prior to participating in any organized athletic program or contest. The athlete must fill out the emergency treatment release card. This card must be filled out completely and left with the Activities Coordinator for 4th-8th grade students, before the student will be allowed to participate.

Browning Public Schools will strive to provide the students with the best possible opportunities for a rewarding experience.

EQUAL EDUCATION and NONDISCRIMINATION:

Browning Public Schools, District #9 is committed to nondiscrimination in the provision of all educational services. An equal educational opportunity is a fundamental right under both the Montana and United States Constitutions; it is the policy of this District to provide a learning environment free of discrimination. All students have the opportunity to participate in and receive benefits from all programs or activities including, but not limited to, course offerings, graduation requirements, athletics, counseling services, extracurricular and other school-related activities.

Discrimination in education because of sex, race, color, creed, religion, national origin, age, physical or mental handicap, political belief, and marital or parental status is prohibited unless based upon reasonable grounds as provided by law. The District is committed to taking the appropriate and feasible remedial action necessary to eliminate existing discrimination and its effects. Inquiries regarding discrimination or intimidation should be directed to the Browning Public Schools Title IX/504 Coordinators TBA and Janet Guardipee. In compliance with federal regulations, the District will notify annually all students, parents, staff, and community members of this policy and the designated coordinator to receive inquiries. Notification should include the name and location of the coordinator and will be carried in all handbooks and published in community newspapers.

Inquiries regarding discrimination or intimidation at Browning High School may be directed to Title IX Compliance, TBA, 105 Hwy 89 Browning, Montana, or at (406) 338 – 2715.

How to Be an All Star-Parent

By Rob Gilbert, Ph.D.

How do you define an all-star parent? Very simple, he or she is a parent who is a good sport and a great fan. To become an all-star parent or an athlete, there are times when you must stop parenting. When your son and daughter changes into uniform and becomes an athlete, you also have to change – from parent to fan. Your job on the sidelines or in the stands is not to be a parent, but to be your child’s greatest fan.

There’s no trick to learn here. You already know how to do this. Remember how you behaved when your baby was learning to “walk?” You were a fan and a supporter, weren’t you? You applauded the “downs” as well as the “ups.”

You never said things like, “What’s taking you so long?” “How come the kid down the street is walking better than you?” “Why do you make the same mistakes over and over again?” You were the world’s most appreciative audience.

Why should it be any different now that your child is an athlete? Your job is not to be the coach (unless you are hired by contract to be the coach) or the expert. You are there so that you can share the thrill of victory and the agony of defeat – together.

In fact, your child needs your support more in defeat than in victory. Did you ever notice that strangers feel free to come out of the stands and congratulate the winners? But, in defeat, sometimes the athlete’s own teammates and coaches ignore him/her. As a parent you have to be there to cushion setbacks with a positive “We’ll get ‘em next time!”

Three “B’s” For All-Star Parenting

1. Be There
2. Be Positive
3. Be Seated

Be There – **You** can never hope to be an all – star parent unless you show up at games. Regardless of the skill level of your child or the success of the team – go to the games. Be supportive. Don’t be a fickle, fair – weather fan.

Be Positive – **On** the sidelines, if you can’t say something positive, don’t say anything at all. Nothing good comes from negative statements and nothing negative comes from positive ones. If you cannot be positive, at least be silent.

Be seated – **Even** though it’s good to be positive, it’s not good to overdo it. Don’t stick out. Be an admirer – not a cheerleader. Players should not confuse your voice with the public address system.

Once you start to become positive, acknowledging fan, an interesting thing may happen. Your child will want you at the games. When this happens, you will know that you are considered to be an important member of your child's personal all-star support team.

Parents Code of Conduct

The Browning Public Schools believes parents play a vital role in the development of student athletes. We ask that this code of conduct be distributed so that parents, players, and coaches have an opportunity to read and fully understand them.

- I will encourage good sportsmanship by being a positive role model.
- I will try my best to make athletics a positive experience for everyone involved, i.e., participants, coaches, officials, and spectators.
- I will insist my player treat other players, coaches, officials, and fans with respect.
- I will reinforce the school's drug and alcohol free policies and refrain from using alcohol and other drugs before or during contests.
- I will do my best to understand and appreciate the rules of the contest.
- I will show appreciation for an outstanding play by either team.
- I will be a "team" fan, not a "my child" fan.
- I will help my child learn that success is measured by the development of skills, not winning or losing.
- If I have a concern, I will talk to the coach at the appropriate time and place, i.e. never before, during, or immediately after a contest.
- I will do my best to remember my ticket to a school athletic event provides me with the privilege of observing the contest, not berating officials, coaches, or players.

Parents who confront coaches before, during or immediately after contests will be asked to leave by the administration or designee of the Browning Public Schools and will be escorted to the exits by school security. Parents who come to the sidelines or the benches during contests will also be asked to leave the contests by the administration and will be escorted to the exits by school security. Further consequences may occur, which could include exclusion from sporting contests at home venues for one calendar year.

ATHLETICS PHILOSOPHY

It is the philosophy of the trustee and School District 9 that all Browning Middle School, Napi & Babb Elementary students should have the opportunity for meaningful participation in extra-curricular athletics, both inter-school programs and intra-school programs. The district recognizes that adequate numbers of participants are needed to run both types of programs. When this occurs, children may have the chance to move from one program to another. Participation in either type of program is governed by factors such as concern for safety of students, the students' skill levels, attitudes, academic grades and attendance in school and at practices.

Win/loss records are not as important as student participation.

Physicals are required for all sports.

Coaches are expected to utilize positive methods to teach skills and sportsmanship while maintaining a competitive spirit.

Students must be eligible to participate. Eligibility requirements are in the student handbook and are explained at parent meetings at the beginning of each season.

Students must be in attendance every at school to participate in practice and games.

Each program may have additional requirements for eligibility and participation.

1. Weekly feedback will still be given to the student concerning their academic standing. Browning Public School students, (Grades 6-12), should meet weekly eligibility by passing all classes to be eligible to participate in Extracurricular Activities as defined herein.
2. **ACTIVITIES ELIGIBILITY:** A weekly Eligibility list based on each student's in-progress grades shall be generated each Friday at 2:00 p.m. The eligibility period will begin the following Monday morning, and will run for one week Monday through Sunday. A student who receives ONE "F" on the weekly eligibility checklist will be on probation and can practice and compete until the next grade check. If, at the next weekly grade check, the student has at least one "F" the student immediately becomes ineligible to participate in competition, but can practice. The student will remain ineligible for competition until he or she is passing all the classes at the time of the weekly grade check. If the ineligible student has no "F" grades on the next grade report, he or she becomes eligible on the Monday following their week of ineligibility. A question comes up every year- "If a student is declared ineligible but gets their grades up by Friday can the student play Friday night and on Saturday?" The answer is no. Eligibility runs Monday through Sunday regardless if a student gets their grades up at any time during the ineligible week.
3. A student who receives more than one "F" on a weekly list shall become ineligible immediately for competition and will remain ineligible until he or she is passing all classes at the time of the weekly checklist.
4. **The eligibility policy begins on the first day of each sport for Browning Middle School, Napi and Babb Elementary students.**

CORRECTION PROCEDURE

The teacher must fill out and sign a note to the coach/sponsor stating the error and its correction. The student must then get approval from the Principal who will also sign the note to verify approval. The student must then give the note to the coach who will keep it for the duration of the season for future reference.

1. For a student to participate in practice or a contest/event, he/she must have been in attendance at school that day, (Monday through Friday) or have an absence excused prior to 4:30pm on the day of the activity.

Attendance

A student shall not practice or participate in any interscholastic activity, athletic event, school musical, club meeting, play, dances, practices etc. on a school day if he/she is not in attendance (physically in attendance in education/means participation) for all classes the day of the activity.

For a student to participate in practice or a contest/event, he/she must have been in attendance at school that day, (Monday through Friday) or have an absence excused prior to 4:30 on the day of the activity.

This plan covers only medical expenses that are not payable by other insurance. Therefore, you must file a claim with your family insurance coverage or health provider.

Injury Report

On any injury for which a possibility of a claim for insurance may occur, or a doctor's visit will occur, the student's parents and coach should contact the high school athletic director's office within 72 hours of the incident. If the injured student must see a doctor for the injury, a statement of release from the doctor will be required before the student is eligible to participate in practice or games/meets.

Athletes injured in sports should make sure the Coach has filled out an injury report and submitted it to both the Athletic Office, and the Principal's Office. Athletes also have the responsibility of initiating any insurance claim form if injury resulted in ambulance service, doctor's service, doctor's care, or hospital expenses. Remember – insurance companies have no way of knowing about an injury unless you inform them through a claim sheet.

Coaches are not to do any medical treatment on students, in which the symptoms indicate a communicable or infectious disease.

Steps to follow if a student sustains an injury:

1. Obtain a claim from the coach, sponsor, advisor or the Activities Director.

3. Proof of claim must be submitted within 90 days from the date of injury.

Students found to have been involved in such defined initiations or hazing will be dismissed from the team or activity and will be subject to additional consequences as stated in the Browning High and Middle School Student Handbook.

1. A conference will be held with the participant, parent/guardian, coach/advisor and Activity Director as soon as possible following the violation.
2. A written report of the incident will be filed with the Principal and Superintendent

Athletes/club members are *to remove hats/caps* and stand at attention during the entire time the flags are being presented, including the time when the flags are being carried on and off the floor/field.

OTHER CONSIDERATIONS SCHOOL SPONSORED ACTIVITIES AND TRIPS

Travel Considerations: Students on school-sponsored trips are under the jurisdiction of the school and its policies as outlined in this Activities Handbook, the Student Handbook and the School District #9 policy manual. Students must travel to and from the activities by transportation authorized by the school. Occasionally, circumstances require special travel arrangements. On those occasions, the Parent/Guardian must contact the Athletic Director or building Principal for approval of the travel plan prior to the bus leaving for the event. Parents wishing to have their student ride home with them after an event are to *personally* notify the coach/sponsor and submit a written request for permission to take the student.

Students are asked to keep in mind that when they travel, they are Browning's "Ambassadors" and are expected to behave in a manner that will reflect positively upon themselves and our community.

Students apprehended breaking the law, such as theft, consuming or having consumed alcohol, drugs, tobacco or non-prescription drugs will forfeit their opportunity to participate in the present activity, will be sent home and will be subject to further disciplinary action. **If a student is sent home, the parent/guardian will be required to provide transportation or pay the cost of providing transportation. Furthermore, if a student is detained by Law Enforcement the parent is responsible for penalties and transportation. Students who leave the group may be suspended from further trips or extra-curricular activities.**

Conduct on Buses: We are very fortunate to have excellent team buses for the transportation of our activities participants. While riding in school provided transportation, students are required to conduct themselves in an appropriate manner and to abide by all school transportation department rules concerning personal conduct, consumption of food & drink and general bus safety. Some of our buses are equipped with video viewing equipment. It is inappropriate to bring videos for viewing that may be offensive to some. All videotapes brought on trips must be pre-approved by the head coach or advisor before being brought onto the bus.

Conduct in Hotels/Motels: School related overnight trips are to be considered extensions of your regular school day. Students are to be under the supervision of an adult during the duration of any trip. An adult supervisor must accompany students wishing to leave the hotel/motel for meals or recreational purposes. Coaches, advisors or chaperones will designate appropriate times for students to be in their rooms and for "lights out". Students are expected to be in their rooms at the appropriate times and to exhibit behaviors that are considerate of other hotel/motel guests, (i.e., no running up & down the halls, slamming doors, yelling, etc.). When staying in lodging provided by the school district, students are

not authorized to incur any additional charges to their rooms. Charges for items such as phone charges or room service are prohibited.

Dress Code: Since students participating in extra-curricular activities are very visible to those watching the event, it is important that they represent their school and community in the best possible way. Blue jeans and tee-shirts are not considered to be appropriate attire when our students travel on extracurricular trips. To this end, all students involved in extra- curricular activities will follow the following guidelines for student dress.

1. No baggy or saggy pants or shorts are to be worn.
2. Belts are to be kept inside the belt loops.
3. Shirts are to be tucked inside the students' pants, dress or skirt.
4. Hats are to be removed upon entering a building.
5. Students are encouraged to wear clothing that identifies them as members of the Browning extra- curricular activity that they are participating in at the time.
6. Students having them are encouraged to wear their letter jacket when attending contests at home or when traveling.

Again, students are reminded that others based upon how we present ourselves make judgments and opinions about our community and ourselves. Members of Browning's extracurricular activities will present themselves in a way that fosters a positive opinion by others.

Individual coaches/advisors will have the option of implementing a dress code consistent with the expectations of School District #9 for its students. The advisor, sponsor, coach, Principal and/or Activities Director will make the final decision about the appropriateness of a student's attire.

CODE OF CONDUCT
Browning Public School District #9

It is becoming more evident that tobacco (*including smokeless*), alcohol and other drugs may easily become addictive and harmful to an individual’s physical and emotional health. As part of the curriculum offerings, School District #9 provides education regarding the use of these substances.

The District also has a Substance Abuse Policy, which recommends counseling assistance for the student experiencing a problem with tobacco (*including smokeless*), alcohol or other drugs. Additionally, the District has developed and implemented a program to assist students in need of help due to the use of tobacco (*including smokeless*), alcohol or other drugs.

Co-curricular activities, athletics included, are extensions of the District’s curriculum and the student’s academic experience and are privileges afforded to students during their educational experience. The District feels that a student participating in co-curricular activities should be a good representative for themselves, their family, their fellow participants & students, their school and their community. The District further believes that involvement in the use of tobacco (including smokeless), alcohol and other drugs is not an appropriate representation for students participating in co-curricular activities.

Contained in the Activities Handbook are the guidelines of expected behavior for students participating in co-curricular activities. We are asking you, the parent or guardian, to discuss with the activity participant, the positive aspects of refraining from the use of tobacco (including smokeless), alcohol and illegal drugs. You should also note that there are penalties for participants who have been found to be involved in the use of tobacco (including smokeless), alcohol or other drugs during the time that he/she was participating in a co-curricular activity.

After you have read and discussed the Activities Handbook, please make certain that both student and parent (or legal guardian) have signed this form. Return the form to the appropriate coach or advisor. You may also return the form directly to the Activities Secretary in the high school office or to the office of the Activities Director.

We, the undersigned, have received the policies as stated in the Browning High School Activities Handbook, understand them and agree to adhere to them during the duration of participation in this sport or activity during the 2013-2014 school year.
