Board of trustees

Policies BA, BB, BD, BE

Texas law grants the board of trustees the power to govern and oversee the management of the district's schools. The board is the policy-making body within the district and has overall responsibility for curriculum, school taxes, annual budget, employment of the superintendent and other professional staff, facilities, and expansions. The board has complete and final control over school matters within limits established by law and State Board of Education rules.

The board of trustees is elected by the citizens of the district to ensure a strong educational program for the district's children. Trustees are elected every year and serve three-year terms. Trustees serve without compensation, must be registered voters, and must reside in the district.

Board members:

Pete Amy, President
Eric Mitchell, Vice President
Ricky Jacobs, Secretary
Harry Barclay
Vincent Bottley
Nancy Byers
Mary Fontenot Hardin

The board usually meets the last Monday of each month. In the event that large attendance is anticipated, the board may meet at Anderson Elementary. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted in the lobby of the Administration Building at least 72 hours before the scheduled meeting time. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with two hours notice.

All meetings are open to the public. Under the following circumstances, Texas law permits the Board to go into a closed session to discuss *among other subjects*, receiving prospective gifts or donations, real property acquisition, personnel issues including conferences with employees and employee complaints, security matters, student discipline, or to consult with attorneys pending litigation.

Employment

Equal employment opportunity

Policies DAA, DIA

The West Orange-Cove Consolidated Independent School District does not discriminate against any employee or applicant for employment because of race, religion, gender, age, national origin, disability, military status, **genetic information**, or on any other basis prohibited by law. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities. West Orange-Cove CISD actively seeks minority applicants for employment.

Employees with questions or concerns relating to discrimination on any of the bases listed above should contact Margaret Duchamp, Executive Director of Human Resources 882-5610.

Employment after Retirement

Policy DPB

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed in limited circumstances on a full- or part-time basis without affecting their benefits according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication *Employment After Retirement*. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Web Site (www.trs.state.tx.us).

Job vacancy announcements

Policy DC

Announcements of job vacancies by position and location are distributed to each organizational site to be posted in a designated area and posted at the central administration building. Professional positions are listed on the district Web Site (www.woccisd.net)

Contract and noncontract employment

Policies DC, DCA, DCB, DCC, DCE, DCD

State law requires the district to employ all full-time professional and administrative employees in positions requiring a certificate and nurses under probationary, term, or continuing contracts. Employees in all other positions are employed at will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the district.

Probationary contracts. All full-time, professional employees employed in positions requiring certification and nurses who are new to the district are employed under probationary contract during their first year of employment. The probationary period for those who have been employed in public schools for at least five of the eight years preceding employment with the district is one year. For those with less experience, the probationary period shall be three years, with an optional fourth year if the district has doubts about whether a term contract should be given.

Term contracts. Full-time teachers and professionals employed in positions requiring certification and nurses, who have successfully completed the probationary period, will be employed by term contract. Campus principals and central office administrators are employed under term contracts. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract and **information about District employment policies; copy provided upon request.**

Noncertified professional and administrative employees. Employees in professional and administrative positions that do not require SBEC certification are employed by a contract that is not subject to the procedures for nonrenewal or termination under the Texas Education Code.

Paraprofessional and auxiliary employees. All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

Searches and alcohol and drug testing

Policy DHE

Noninvestigatory searches in the workplace, including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, work areas, including district-owned computers, lockers, and private vehicles parked on district premises or work sites or used in district business.

The purpose of alcohol and drug testing is to ensure safety and prevent accidents and injuries resulting from the misuse of alcohol and drugs by drivers of commercial motor vehicles. Any employee who is required to have a commercial driver's license (CDL) is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people, counting the driver; drivers of large vehicles; or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if they perform driving services.

Drug testing may be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs. Employees with

questions or concerns relating to alcohol and drug policies and related educational material should contact their immediate supervisor, the Executive Director of Human Resources or the Superintendent.

First Aid, CPR, and AED certification Health safety training

Policies DBA, DMA

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification in first aid, cardiopulmonary resuscitation (CPR), and the use of an automated external defibrillator (AED), **and extracurricular athletic activity safety**. Certification must be issued by the American Red Cross, the American Heart Association, **University Interscholastic League**, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification to their building principal.

Reassignments

Policy DK

All personnel are subject to assignment and reassignment by the superintendent when the superintendent determines that the assignment or reassignment is in the best interest of the district. Reassignment is a move to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus. When reassignments are due to enrollment shifts or program changes, the superintendent has final placement authority. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-assignment contract. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA (Local).

Employees with the required qualifications for a position may request a reassignment to another campus or department. A written request for reassignment must be completed and signed by the employee and the employee's supervisor. Teachers requesting a reassignment to another campus before the school year begins must submit their request by May 31. Requests for reassignment during the school year will be considered only when the change will not adversely affect students and after a replacement has been found. All reassignment requests will be coordinated by the Human Resource Office and must be approved by the receiving supervisor.

Workload and work schedules

Policies DL, DEA

Professional employees. Professional **employees** and **academic** administrative employees are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including required days of service and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation and conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

Paraprofessional and auxiliary employees. Support employees are employed at will and will be notified of the required service days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees are not exempt from overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor.

Notification of to parents regarding certification status

Policies DBA, DK

In schools receiving Title I funds, the district is required by the No Child Left Behind Act (NCLB) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. NCLB also requires that parents be notified if their child has been assigned, or taught for four or more consecutive weeks by, a teacher who is not highly qualified.

Texas law requires that parents be notified if their child is assigned a teacher for more than 30 consecutive instructional days who does not hold an appropriate teaching certificate. Inappropriately certified or uncertified teachers include individuals **serving with on** an emergency permit (including individuals waiting to take the TExES exam) or individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request.

Employees who have questions about their certification status may call Human Resources at 882-5610.

Outside employment and tutoring

Policy DBD

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. The Superintendent will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest. An employee shall disclose in writing to his or her immediate supervisor any private tutoring of District students for pay.

Performance Evaluation

Policies DN, DNA, DNB

Evaluation of an employee's job performance should be a continual process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda can also be used to document performance information. All employees will receive a copy of their written evaluation, have a performance conference with their supervisor, and get the opportunity to respond to the evaluation.

A teacher may make a written request for a second appraisal after receiving a written observation summary with which the teacher disagrees: and/or after receiving a written summative annual appraisal report with which the teacher disagrees. This request must be

addressed to the principal of the campus where he or she is employed. A copy of this request must be submitted to the Executive Director of Human Resources. The second appraisal must be requested within 10 days of receiving a written observation summary or a written summative annual appraisal report. At the discretion of the appraiser, the time period may be extended to 15 working days.

Upon a teacher's request for a second appraisal, the Executive Director of Educational Services shall select the second appraiser from a pre-established roster of trained appraisers. All second appraisals shall be conducted prior to March 1 of any school year, unless there are extenuating circumstances.

A teacher may be given notice of the date or time of a second appraisal, but advance notice is not required. The second appraiser shall make observations and walk-throughs as necessary to evaluate Domains I through V. The second appraiser shall use the Teacher Self-Report Form and cumulative data from the first appraisal to evaluate Domains VI through VIII. Cumulative data may also be used by the second appraiser to evaluate other domains. 19TAC 150.1005(e)(f)

Employee involvement

Policies BQA, BQB

At both the campus and district levels, West Orange-Cove CISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district's decision-making process, employees may either be asked or elected to serve on district- or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from the Executive Director for Educational Services.

Staff development

Policy DMA

Staff development activities are organized to meet the needs of employees and the district. Staff development is predominantly campus-based, related to achieving campus performance objectives, and developed and approved by district- and campus-level advisory committees.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours for renewal of their certificate and providing the renewed certificate to Human Resource. Teachers are responsible for maintaining appropriate documentation of certification trainings.

Compensation and Benefits

Salaries, wages, and stipends

Policies DEA, DEAA

Employees are paid in accordance with administrative guidelines and a pay structure established for each position. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional ~~and administrative~~ employees ~~and academic administrators~~ are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 hours in a work week. (See Overtime Compensation, page 12)

Salaries and wages are reviewed on an annual basis and adjusted according to the budgeted amounts approved by the board. All employees will receive written notice of their pay each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.

In order for a certified employee to receive an additional salary increment for additional college hours towards an advanced degree or advanced certificate the hours or degree must be earned from colleges or universities that are either approved by TEA for teacher education programs or otherwise recognized by TEA for public school professional employment purposes.

Salary adjustments shall be made upon filing with the Human Resource office the verification of completion of additional college hours or an advanced degree. Salary adjustments for an advanced degree shall be effective on the employee's first workday after the requirements for the degree were completed but shall not be made retroactive beyond the date of notification.

Employees should contact the Human Resource Office for more information about the district's pay schedules or their own pay.

Annualized compensation

Policy DEA

~~The district pays~~ All salaried employees are paid over 12 months regardless of the number of months employed during the school year. Salaried employees will be paid in equal monthly or bimonthly payments, beginning with the first pay period of the school year. ~~An employee, who separates from service before the last day of instruction or retires under TRS, will receive in his or her final paycheck, a lump sum payment for wages actually earned from the beginning of the school year to the date of separation.~~ Employees that separate after the last day of instruction will continue to receive paychecks through the end of the summer.

Paychecks

All employees are paid according to the payroll calendar. During the school year, paychecks are either electronically deposited or delivered to each campus. Paychecks will not be released to any person other than the district employee named on the check without the employee's written authorization. During summer breaks, paychecks will be electronically deposited or distributed according to the employee's written request.

An employee's payroll statement contains detailed information including deductions, withholding information, and the amount of leave accumulated.

Automatic payroll deposit

The district offers employees electronic direct deposit. Employees can have their paychecks directly deposited into their account at any bank, credit union, or saving & loan. **A notification period of one (1) month is necessary to activate this service.** With direct deposit, an employee's paycheck is immediately available on the pay date. Contact Payroll for more information about the direct payroll deposit option.

Payroll deductions

Policy CFEA

Automatic payroll deductions for the Texas Teacher Retirement System (TRS) and federal income tax **are required for all full-time employees.** Medicare tax deductions are required for all employees hired after March 31, 1986. Temporary and part-time employees who are not eligible for TRS membership must have contributions deducted for the Social Security Alternative Plan under the IRS Code section 457.

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, and life insurance; annuities. Employees may also request payroll deduction for payment of membership dues to professional organizations and United Way. Salary deductions are automatically made for unauthorized or unpaid leave.

Overtime compensation

Policy DEA

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and some paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor.

Overtime is legally defined as all hours worked in excess of 40 hours in a work week and is not measured by the day or by the employee's regular work schedule. Employees who must work beyond their normal schedule but less than 40 hours per week will be compensated in straight-time pay or compensatory time off. Employees must work more than 40 total hours in a work week to earn overtime compensation.

For the purpose of calculating overtime, a workweek begins at 12:01 a.m. Sunday and ends at 12:00 p.m. Saturday. Employees may be compensated for overtime at time-and-a-half rate with compensatory time off or direct pay. Weekly time sheets will be maintained on all nonexempt employees for the purpose of wage and salary administration.

Travel expense reimbursement

Policy DEE

Before any travel expenses are incurred by an employee, the employee's supervisor must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule authorized by the board of trustees and the Internal Revenue Service. Employees must submit receipts to be reimbursed for expenses other than mileage.

Health, dental, and life insurance

Policy CRD

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public school health insurance program. The district's contribution to employee insurance premiums is determined annually by the board of trustees. TRS **retirees who are enrolled in TRS-Care (retiree health insurance program)** and employees who are not contributing TRS members that are regularly scheduled to work less than 10 hours per week are not eligible to participate in TRS-ActiveCare. Group health insurance coverage is available to full-time employees through TRS Active Care. Dental and life insurance coverage is available for employees to purchase. Detailed descriptions of insurance coverage, prices, and eligibility requirements are provided to all employees at time of enrollment.

New employees must complete enrollment forms upon employment to become eligible for TRS insurance. Employees should contact the Human Resource Office at 882-5611 for more information.

Supplemental insurance benefits

Policy CRD

At their own expense, employees may enroll in supplemental insurance programs. Premiums for these programs can be paid by payroll deduction. Employees should contact the Human Resource Office at 882-5610 for more information.

Cafeteria plan benefits (Section 125)

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and dread disease, dental and additional term life insurance).

New employees must accept or decline participation during their first month of employment. All employees must accept or decline participation annually.

Workers' compensation insurance

Policy CRE

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case. All work-related accidents or injuries should be reported immediately to the site supervisor and the Insurance Office. Employees who are unable to work due to a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code.

Unemployment compensation insurance

Policy CRF

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Human Resource Office, 882-5610.

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

Teacher retirement

All personnel employed on a regular basis for at least four and one-half months are members of the Texas Teacher Retirement System (TRS). Substitute's not receiving TRS service retirement benefits who work at least 90 days a year are also eligible for TRS membership and to purchase a year of creditable service. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify the Superintendent as soon as possible. Information on the application procedures for TRS benefits is available by calling 1-800-223-8778 or 512-397-6400. Additional inquiries should be addressed to: Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698. Related information "Employment after Retirement", p.9

Leaves and Absences

Policy DEC, DECA, DECB

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who have personal needs that will require long leaves of absence should call the Human Resource Office for information about leave options, continuation of benefits, and communicating with the district.

Health care benefits for employees on leave authorized under the Family and Medical Leave Act will be paid by the district as they were when they were working. The district does not make benefit contributions for employees who are on unpaid leave.

Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate leave request form. Any employee who is absent more than five (5) days because of a personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and fitness to return to work.

Personal and local sick leave is earned on a one-half day for each 18 workdays of employment. Leave is available for the employee's use on the first reporting day of the new school year. If an employee leaves the district before the end of the work year, the cost of any unearned leave days shall be deducted from the employee's final paycheck.

Employees on an approved leave of absence other than family and medical leave may continue their insurance benefits at their own expense. Health Insurance for employees on paid leave designated under the Family and Medical Leave Act will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

State Personal leave

State law requires that all employees receive up to five (5) days of paid personal leave per year. Personal leave is earned at a rate of one-half day for each 18 workdays of employment. A day of earned personal leave is equivalent to an assigned workday. There is no limit on the accumulation of state personal leave, and it can be transferred to other Texas school districts. There are two types of personal leave: nondiscretionary and discretionary.

Nondiscretionary. Leave that is taken for personal or family illness, **family** emergency, or a death in the family, or active military service is considered nondiscretionary leave. **Reasons for** this type of leave allows very little or no advance planning and will be granted to employees in the same manner as state sick leave.

Discretionary. Leave that is taken at an employee's discretion and that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a notice of the request five (5) days in advance of the anticipated absence to his or her principal or supervisor. **The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor.** Discretionary personal leave will be granted on a first-come, first-served basis and will be subject to the following limitations:

-Discretionary leave may not be taken for more than three consecutive work days, except with special approval by the superintendent for extenuating circumstances.

-Discretionary leave may not be taken on the following key days:

- the day before a school holiday
- the day after a school holiday
- days scheduled for end-of-semester or end-of-year exams
- days scheduled for TAKS tests
- professional or staff development days

Sick leave

Previously accumulated state sick leave is available for use and may be transferred to other school districts in Texas. **State** sick leave can be used only in whole or half-day increments except when coordinated with family and medical leave taken on an intermittent or reduced-schedule basis and workers' compensation benefits.

State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family

Local leave

See Policy DEC(Local)

All regularly employed persons shall be entitled to local sick leave equal to one day per month of employment minus those days provided under state personal leave. For example, employees in positions requiring ten months shall earn five days of local sick leave, employees in positions requiring eleven months shall earn six (6) days, and employees in positions requiring twelve months shall earn seven days. This leave shall be earned concurrently with state personal leave.

Local sick leave shall accumulate without limit beginning the first day of service. Local sick leave shall be taken with no loss of pay.

Employees who are not on FMLA and are absent for more than 30 days taken as local leave or extended sick leave must submit a medical certification justifying the need for additional local leave every 30 days. The district may send an employee who is not on FMLA leave to a physician for a second medical opinion after the leave has exceeded 45 days in any school year. The District shall select the medical provider to provide the second medical opinion and shall pay for costs associated with the examination.

Failure to provide required certification as set forth in this policy may warrant the leave being denied and/or employment action including termination.

Local Personal Leave

A total of three equivalent workdays per year, accrued at the rate of one-half day for each calendar month worked up to the annual three-day maximum, shall be granted to each employee for personal matters that require absence during school hours.

Application must be submitted to the principal or immediate supervisor for approval at least five workdays before taking such leave, except in cases of emergency. These days shall not be allowed on the day before a school holiday, the day after a school holiday, days scheduled for end-of-semester or end-of-year exams, days scheduled for TAKS tests, or professional or staff development days. Exceptions to this must be cleared through the Superintendent's office.

Extended Sick Leave

An employee who has exhausted all state and local sick and personal leave benefits may be granted by the Superintendent up to 45 equivalent workdays of extended sick leave in the event of an extended absence due to personal illness or accident. The leave request must be accompanied by a physician's statement confirming the employee's inability to work, the date upon which the employee has requested the leave begin, and the probable date of the employee's return. The Superintendent may grant the first request of extended leave without a waiting period. Any subsequent requests may be granted by the Superintendent after the employee has been absent for 10 consecutive days.

Certified personnel salaries shall be reduced by an amount equal to the minimum ~~cost of a long-term teacher substitute (\$75) teacher pay~~. Auxiliary personnel salaries shall be reduced by an amount equal to one-half day's salary not to exceed that established by the prevailing substitute salary schedule.

Employees who are not on FMLA and are absent for more than 30 days taken as local leave or extended sick leave must submit a medical certification justifying the need for additional local leave every 30 days. The district may send an employee who is not on FMLA leave to a physician for a second medical opinion after the leave has exceeded 45 days in any school year. The District shall select the medical provider to provide the second medical opinion and shall pay for costs associated with the examination.

Failure to provide required certification as set forth in this policy may warrant the leave being denied and/or employment action including termination.

For full-time employees, if the illness or accident results in absences beyond the 45 equivalent workdays, a leave for temporary disability, if applicable, may be requested as provided for in this policy. See TEMPORARY DISABILITY, below.

Extended sick leave days shall not be subject to the workers' compensation offset provision found in this policy.

Temporary disability

The maximum length of temporary disability leave for all full-time employees shall be 180 calendar days. The Superintendent shall have authority to place an employee on temporary disability leave, as appropriate, when in the judgment of the Superintendent in consultation with the physician who has performed the medical exam, the employee's condition interferes with the performance of regular duties. The District shall require employees to use family and medical leave concurrently with paid leave and with temporary disability leave, if applicable.

The purpose of temporary disability leave is to provide job protection to full-time employees who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability. A full-time employee may voluntarily request to be placed on temporary disability leave or be placed on

leave involuntarily. **Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule.**

Employees must request approval for temporary disability leave. The leave request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 days. If disability leave is not approved, the employee must return to work or be subject to termination procedures.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the supervisor should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume regular duties. Professional employees returning from leave will be reinstated to the school to which they were previously assigned as soon as an appropriate position is available. If a position is not available before the end of the school year, professional employees will be reinstated at the beginning of the following school year.

CATASTROPHIC SICK LEAVE BANK GUIDELINES

The Catastrophic Sick Leave Bank is a pool of local sick leave days established on a voluntary basis by full-time District staff members to be used by any member of the Bank who suffers a catastrophic personal illness which extends beyond their own accumulated sick leave and personal leave.

Definition:

A Catastrophic injury or illness is defined as a severe condition or combination of conditions affecting the mental or physical health of the employee that requires the services of a licensed practitioner for a prolonged period of time and that forces the employee to exhaust all leave time earned by that employee. For clarification, a licensed practitioner is a practitioner, as defined in the Texas Insurance Code, Article 370-2 who is practicing within the scope of his or her license.

For additional guidance in determining the seriousness of the injury or illness, the Committee may utilize the Outlier Threshold numbers of the list of Diagnosis Related Groups (DRGS) as published in the Federal Register (Vol. 55, No. 171) and/or the District's insurance company.

I. Administering the Catastrophic Sick Leave Bank

- The Catastrophic Sick Leave Bank shall be administered by the Employee Benefit Advisory Committee (EBAC) representing teachers, administrators, paraprofessional and hourly staff members.
- The EBAC shall have the responsibility of approving membership, receiving requests for use of the Bank, verifying the validity of requests, recommending approval or denial of the requests, and communicating its decision to members and to the Personnel Department.
- Members of the EBAC shall serve two-year staggered terms, with half being elected on alternate years.
- In order for the EBAC to make a decision on a request for use of the Catastrophic Sick Leave Bank, a quorum of seven (7) members shall be present.
- A simple majority vote shall be required for a request to be approved by EBAC. Four (4) members of the quorum of seven (7) will need to vote "yes" to grant days.
- The Executive Director of Human Resources shall be the non-voting chairperson of the EBAC whose role will be to provide continuity to the program.
- The seriousness of the "catastrophic illness or injury" shall be determined by the Committee utilizing the Guideline Definition, the physician's statement and the list of Diagnosis Related Groups.

II. Contributing to the Catastrophic Sick Leave Bank

- All full-time employees of the District, who have one day of accumulated local sick leave as of the first day of their employment period for the current year, are eligible for initial membership in the Catastrophic Sick Leave Bank.
- To be a member of the Catastrophic Sick Leave Bank for one school year, a staff member shall contribute one (1) day of local sick leave during the enrollment period.

The enrollment period for the catastrophic sick leave bank begins on the first working day of July and concludes with the end of the last working day of August. Membership applications must be returned no later than that date.

- Membership in the Catastrophic Sick Leave Bank is carried forward from one year to the next unless written change is received during the enrollment period. Staff members shall be required to make a one-day contribution at the beginning of each school year in order to continue their membership in the Catastrophic Sick Leave Bank unless a dividend for the following school year has been declared.
- All unused sick leave days in the bank at the end of the school year (June 30) shall be carried over to the next school year. Once the bank has a 500 day balance on June 30, the EBAC will declare a dividend for all continuing members in the bank, i.e., members from the school year most recently ended shall be granted membership for the following school year without contribution of an additional local sick leave day. It is understood that employment with the WOCISD is required for membership. New personnel and personnel wishing to rejoin the bank after the absence of a year or more may do so by contributing one day of local sick leave during the enrollment period. (First working day in July through last working day in August)
- No Bank member shall be required, for purposes of maintaining status in the Catastrophic Sick Leave Bank, to contribute more sick leave days than other members. However, the EBAC shall have the authority to request additional days from current members if needed. If a current member does not donate to the emergency request, his/her ability to use the Bank is not affected.
- The contribution shall be made on the appropriate form by the staff member.
- Eligible staff members who do not elect to join the Catastrophic Sick Leave Bank at the first opportunity afforded to them in a school year will not be permitted to join the Bank until the subsequent annual open enrollment period.

III. Using the Catastrophic Sick Leave Bank

- The use of the CSLB will be limited to the number of days in the CSLB or the number of days added to the CSLB following an emergency request by the EBAC.

- Members must use all of their available accrued sick leave and annual personal leave before receiving leave from the CSLB.
- The number of days granted per employee shall not exceed 100 days per 12 month period beginning on the first day of use of the Catastrophic Sick Leave Bank.
- Leave grants from the CSLB shall be in units of not more twenty-five (25) consecutive working days.
- If a Bank member does not use all of the days granted from the CSLB, the unused Catastrophic Sick Leave Bank days will be returned to the CSLB.
- Leave from the CSLB may not be used for disabilities which qualify the member for Worker's Compensation benefits.
- The EBAC shall review and forward to the Human Resources Office its decision on all requests to draw on the Catastrophic Sick Leave Bank within ten (10) working days after a request is received by the Human Resources Office.
- All forms for application for participation in the CSLB and use of sick leave bank days shall be available in the principal's/department head's office and the Personnel Department and shall be sent to any staff member at his/her request.
- The decision of the EBAC shall be final.

IV. Filing Application for Catastrophic Sick Leave Bank Days

- Applications for use of the CSLB shall be made on the required form and submitted to the EBAC through the Executive Director of Human Resources.
- All requests to draw upon the Catastrophic Sick Leave Bank must be accompanied by the Physician's Statement on the form provided by the district confirming the cause of illness or confinement and certifying the existence of a disability to perform assigned duties. The form must be personally signed by the physician.
- Each separate application for a grant from the Bank must include a new physician's statement on the appropriate Catastrophic Sick Leave Bank form.
- All requests to draw upon the CSLB shall be made within thirty (30) days of the staff member's diagnosis of illness/accident or use of his/her last sick leave day.
- In case a Bank member's illness prevents him/her from personally applying for a grant, his/her application may be submitted to the CSLB by his/her authorized agent or member of his/her family on his/her behalf.
- An applicant may submit a request for an extension of a CSLB leave grant before the original grant expires by using the regular Catastrophic Sick Leave Bank form accompanied by the newly signed Physician's Statement.

V. Terminating Membership in the Catastrophic Sick Leave Bank

A member of the Catastrophic Sick Leave Bank will lose the right to use the benefits of the Sick Leave Bank by:

- Termination of employment with the District
- Suspension without pay during the period of suspension
- Any abuse or misuse of the Rules of the Catastrophic Sick Leave Bank
- Change in status from full-time to part-time staff member

VI. Maintaining Catastrophic Sick Leave Bank Records

- Copies of all Catastrophic Sick Leave Bank Donations, Sick Leave Grant Requests or Catastrophic Sick Leave Bank Membership shall be marked for approval or denial by the EBAC. Following such action, the EBAC shall disperse copies of the forms to the Bank member and to the Executive Director of Human Resources.
- The Executive Director of Human Resources shall maintain all records regarding operation of the CSLB.
- The Executive Director of Human Resources shall report the status of the Catastrophic Sick Leave Bank at any time upon request of the EBAC Committee.
- The Executive Director of Human Resources shall provide information to the EBAC upon its request for any data maintained in the payroll files with regard to an applicant's use of or investment in the Catastrophic Sick Leave Bank.

Local leave donation program

The Local Leave Donation Program is available to employees of the District as well as for illness of the employee's immediate family as defined in policy by the Family Medical Leave Act – FMLA.

Certified employees of the District are eligible for the Local Leave Donation Program. This leave benefit, under procedures developed by the Superintendent, allows certified employees who have accrued more than fifteen (15) days of local leave to transfer a designated number of their local leave days to another certified employee who has exhausted all accrued leave and is authorized to receive the donation. The number of days donated shall not reduce the employee's local leave balance to less than fifteen (15) local days. The recipient of the days must be without any accrued leave for a minimum of fifteen (15) days prior to receiving donated days.

Donated days will be used for the recipient one at a time as needed. Any sick leave days donated and not used by the receiving employee shall be removed from the receiving employee upon his/her return to work.

Auxiliary employees of the District are eligible for the Local Leave Donation Program. This leave benefit, under procedures developed by the Superintendent, allows auxiliary employees who have accrued more than fifteen (15) days of local leave to transfer a designated number of their local leave days to another auxiliary employee who has exhausted all accrued leave and is authorized to receive the donation. The number of days donated shall not reduce the employee's local leave balance to less than fifteen (15) local days. The recipient of the days must be without any accrued leave for a minimum of fifteen (15) days prior to receiving donated days.

Any sick leave days donated and not used by the receiving employee shall be removed from the receiving employee upon his/her return to work.

Family and medical leave (FMLA)- general provisions

The following text is from the federal notice, Employee Rights and Responsibilities Under the Family and Medical Leave Act. Specific information that the district has adopted to implement the FMLA follows this general notice.

Basic Leave Entitlement. FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job

Military Family Leave Entitlements. Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the servicemember medically unfit to perform his or her duties for which the servicemember is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

Benefits and Protections. During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements. Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Definition of Serious Health Condition. A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave. An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave. Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities. Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities. Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers. FMLA makes it unlawful for any employer to:

- Interfere with, restrain, or deny the exercise of any right protected under FMLA;
- Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement. An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

*FMLA section 109 (29 U.S.C. § 2619) required FMLA covered employers to post the text of this notice.
Regulations 29 C.F.R. § 825.300 (a) may require additional disclosures.*

Family and Medical leave **Local**

Eligibility. Employees who work in a district where there are at least 50 employees within a 75 mile radius, have been employed by the district for at least 12 months, and have worked at least 1,250 hours during that time are eligible for family and medical leave. Eligible employees can take up to 12 weeks of unpaid leave each year between July 1 and June 30. **for the following reasons:**

- ~~—The birth, adoption, or foster placement of a child~~
- ~~—To care for a spouse, parent, or child with a serious health condition~~
- ~~—An employee's serious health condition~~
- ~~—A qualifying exigency resulting from active military service of a spouse, child, or parent~~

Combined leave for spouses. A husband and wife who are both employed by the district are limited to a combined total of 12 weeks of FMLA leave to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

Intermittent leave. When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

~~A husband and wife who are both employed by the district are subject to limits in the amount of leave that they can take to care for a parent with a serious health condition or for the birth, adoption, or foster placement of a child; or to care for a covered military service member.~~

~~**Military service family leave.** An eligible employee is entitled to leave to care for an active duty military service member who incurs a serious illness or injury in the line of duty. The service member must be the employee's spouse, child, parent, or next to kin. An eligible employee may take up to 26 weeks on a one-time basis to provide care to a covered service member.~~

~~**Continuation of benefits and job restoration.** Eligible employees are entitled to continue their health care benefits under the same terms and conditions as when they were on the job and are entitled to return to their previous job or an equivalent job at the end of their leave. Under some circumstances, teachers who are able to return to work at or near the conclusion of a semester may be required to continue their leave until the end of the semester.~~

~~**Use of paid leave.** Family and medical leave runs concurrently with accrued sick and personal leave, temporary disability leave, and absences due to a work-related illness or injury. The district will designate the leave as family and medical leave, if applicable, and notify the employee that accumulated leave will run concurrently.~~

~~**Intermittent leave.** In some circumstances, employees may take family and medical leave in blocks of time or by reducing their normal weekly or daily work schedule. Intermittent leave may be taken under the following circumstances:~~

- ~~—To allow an employee to care for a seriously ill spouse, child, or parent~~
- ~~—When an employee requires medical treatment for a serious illness~~
- ~~—When an employee is seriously ill and unable to work~~
- ~~—When an employee becomes a parent or has a foster child placed in his or her home~~

~~**Requests for FMLA.** When the need for family and medical leave is foreseeable, employees must provide 30 days advance notice to the district. When the need for leave is not foreseeable, employees must contact the Human Resources Office as soon as possible. Employees may be required to provide the following:~~

- ~~• Medical certification from a qualified health care provider supporting the need for leave due to a serious health condition affecting the employee or an immediate family member~~
- ~~• Second or third medical opinions and periodic recertification of the need for leave~~
- ~~• Periodic reports during the leave regarding the employee's status and intent to return to work~~
- ~~• Medical certification from a qualified health care provider at the conclusion of leave of an employee's ability to perform the essential job functions~~
- ~~• Certification of the need for family military leave~~

~~The District may require a second certification (chosen and paid for by the employer). This second opinion cannot be obtained from a health care provider who is employed on a regular basis by the District. If the second opinion differs from the original certification, the District may require that the employee obtain a third opinion. This third opinion is considered final and binding on both the District and the employee.~~

~~Employees requiring family and medical leave should contact the Human Resource Office for details on eligibility, requirements, and limitations.~~

Workers' compensation benefits

An employee receiving workers' compensation wage benefits for a job-related injury may use sick leave or any other leave benefit in conjunction with workers' compensation while recovering, except when the leave is classified as family and medical leave. While on workers' compensation leave, the district will pay the difference between the weekly income benefit and the employee's regular salary and charge available leave proportionately.

Assault leave

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. **An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person nonresponsible for purposes of criminal liability.** An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave or counted against the employee's family and medical leave entitlement, and must be coordinated with workers' compensation benefits. **Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.**

Jury duty

Employees will receive leave with pay and without loss of accumulated leave for jury duty. Employees must present documentation of the service.

Other court appearances

Employees will be granted paid leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding. Absences for court appearances related to an employee's personal business must be taken as personal leave or leave without pay (if no personal leave is available). Employees may be required to submit documentation of their need for leave for court appearances.

Reimbursement at retirement

Upon retirement with the District, a professional employee with a minimum of 10 years of service will receive a payout benefit of \$100 per day for local sick leave and state leave. A professional employee, resigning after a minimum of 10 years with the District, will receive a payout benefit of \$50 per day for local sick leave.

Upon retirement with the District, an auxiliary employee with a minimum of 10 years of service will receive a payout benefit of \$50 per day for local sick leave and state leave. An auxiliary employee resigning after a minimum of 10 years with the District will receive a payout benefit of \$25 per day for local sick leave.

Military leave

Paid leave for military service. Any employee who is a member of the Texas National Guard, Texas State Guard, or reserves component of the United States Armed Forces will be granted a paid leave of absence without loss of any accumulated leave for authorized training or duty orders. Paid military leave will not exceed 15 days each federal fiscal year (October 1-September 30). In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Reemployment after military leave. Employees who leave the district to enter into the United States uniformed services or who are ordered to active state military duty (Texas National Guard or Texas State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed in the same position they previously held or reassigned to a position of similar seniority, status, and pay, provided they can be qualified to perform the required duties of the position. To be eligible for reemployment, employees must provide notice of their obligation or intent to perform military service, provide evidence of honorable discharge or release, and submit an application for reemployment to Human Resource.

Continuation of health insurance. Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact the Human Resources Office for details on eligibility, requirements, and limitations.

Employee Relations and Communications

Employee recognition and appreciation

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the district. Employees are recognized at board meetings, in the district newsletter, and through special events and activities including awards and the retirement dinner.

District communications

Throughout the school year, the Public Relations office publishes newsletters, brochures, fliers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements.

Complaints and grievances

Policy DGBA

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the Board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time but may utilize the complaint process if so desired. Complaint forms are available at each site and may be obtained from the organizational manager. An employee, or a group of employees, may be represented in a complaint presentation at any level through an attorney or through any other person or organization that does not claim the right to strike.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring complaints to the Board of Trustees.

GENERAL PROVISIONS

FILING Complaint forms and appeal notices may be filed by hand-delivery, fax, or U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Fax filings shall be timely filed if they are received on or before the deadline, as indicated by the date/time shown on the fax copy. Mail filings shall be timely filed if they are postmarked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

RESPONSE At Levels One, Two, and Three, "response" shall mean a written communication to the employee from the appropriate administrator. Responses may be hand-delivered or sent by U.S. Mail to the employee's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

DAYS "Days" shall mean District business days, unless otherwise noted. In calculating time lines under this policy, the day a document is filed is "day zero." The following business day is "day one."

REPRESENTATIVE "Representative" shall mean any person who or an organization that does not claim the right to strike and is designated by the employee to represent him or her in the complaint process. The employee may designate a representative through written notice to the District at any level of this process. If the employee designates a representative with fewer than three days' notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District's counsel. The District may be represented by counsel at any level of the process.

CONSOLIDATING COMPLAINTS Complaints arising out of an event or a series of related events shall be addressed in one complaint. Employees shall not bring separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint. When two or more complaints are sufficiently similar in nature and remedy sought to permit their resolution through one proceeding, the District may consolidate the complaints.

UNTIMELY FILINGS All time limits shall be strictly followed unless modified by mutual written consent. If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the employee, at any point during the complaint process. The employee may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

COSTS INCURRED Each party shall pay its own costs incurred in the course of the complaint.

COMPLAINT FORM Complaints under this policy shall be submitted in writing on a form provided by the District. Copies of any documents that support the complaint should be attached to the complaint form. If the employee does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the employee unless the employee did not know the documents existed before the Level One conference. A complaint form that is incomplete in any material aspect may be dismissed, but may be refiled with all the required information if the refiling is within the designated time for filing a complaint.

LEVEL ONE

Complaint forms must be filed:

1. Within 15 days of the date the employee first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, employees on a school campus shall file Level One complaints with the campus principal; other District employees shall file Level One complaints with their immediate supervisor.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Three following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and hold a conference with the employee within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

The administrator shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

LEVEL TWO

If the employee did not receive the relief requested at Level One or if the time for a response has expired, the employee may request a conference with the executive director of human resources or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The employee may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the employee at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Level Two administrator shall hold a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues presented by the employee at Level One and identified in the Level Two appeal notice. At the conference, the employee may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Level Two administrator may set reasonable time limits for the conference.

The Level Two administrator shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Level Two administrator may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Level Two administrator believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

LEVEL THREE

If the employee did not receive the relief requested at Level Two or if the time for a response has expired, the employee may request a conference with the Superintendent or designee to appeal the Level Two decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

After receiving notice of the appeal, the Level Two administrator shall prepare and forward a record of the Level Two complaint to the Level Three administrator. The employee may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The written response issued at Level Two and any attachments.
3. All other documents relied upon by the Level Two administrator in reaching the Level Two decision.

The Level Three administrator shall hold a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues presented by the employee at Level One and identified in the Level Three appeal notice. At the conference, the employee may provide information concerning any documents or information relied upon by the administration for the Level Two decision. The Level Three administrator may set reasonable time limits for the conference.

The Level Three administrator shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Level Three administrator may consider the Level One and Level Two records, information

provided at the Level Three conference, and any other relevant documents or information the Level Three administrator believes will help resolve the complaint.

Recordings of the Level One, Level Two, and Level Three conferences, if any, shall be maintained with the Level One, Level Two, and Level Three records.

If the employee did not receive the relief requested at Level Three or if the time for a response has expired, the employee shall deliver the appeal notice to the Superintendent's secretary for filing with the Board. [See BE]

LEVEL FOUR

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Three response or, if no response was received, within ten days of the Level Three response deadline.

Following receipt of the appeal notice and a determination that time lines have been met, the Board President shall furnish a copy of the appeal notice to each Trustee.

At a future Board meeting, the Board shall examine the written grievance in closed meeting unless otherwise required by the Open Meetings Act, with neither the grievant nor the grievant's representative, nor the person or persons complained of in the grievance, present. The Board shall make a determination as to whether the grievance as presented merits a hearing. If the Board determines that the grievance is not meritorious, the grievant shall be so informed in writing by the Board President within seven days following that meeting. The decision of the Superintendent with respect to the grievance shall then be final.

If the Board determines that the grievance as presented merits a hearing, the Board President shall inform the grievant of the date, time, and place of such hearing. The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The Superintendent or designee shall provide the Board the record of the Level Three complaint. The employee may request a copy of the Level Three record.

The Level Three record shall include:

1. The Level One record.
2. The Level Two record.
3. The written response issued at Level Three and any attachments.
4. All other documents relied upon by the administration in reaching the Level Three decision.

If at the Level Four hearing the administration intends to rely on evidence not included in the Level Three record, the administration shall provide the employee notice of the nature of the evidence at least three days before the hearing.

The presiding officer may set reasonable time limits and guidelines for the presentation including an opportunity for the employee and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Four presentation. The Level Four presentation, including the presentation by the employee or the employee's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Three.

Discrimination, Harassment, and Retaliation

Policies DH, DIA

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons, including board members, vendors, contractors, volunteers, or parents. A substantiated change of harassment will result in disciplinary action.

Employees who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the employee should report the complaint directly to the Superintendent. A complaint against the superintendent may be made directly to the board.

The district's policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation is reprinted below:

West Orange-Cove CISD
181906

Note: This policy addresses discrimination, harassment and retaliation involving District employees. In this policy, the term "employees" includes former employees and applicants for employment. For discrimination, harassment, and retaliation involving students, see FFH. For reporting requirements related to child abuse and neglect, see FFG.

STATEMENT OF NONDISCRIMINATION The District prohibits discrimination, including harassment, against any employee on the basis of race, color, religion, gender, national origin, age, disability, or any other basis prohibited by law. Retaliation against anyone involved in the complaint process is a violation of District policy.

DISCRIMINATION Discrimination against an employee is defined as conduct directed at an employee on the basis of race, color, religion, gender, national origin, age, disability, or any other basis prohibited by law, that adversely affects the employee's employment.

Prohibited harassment of an employee is defined as physical, verbal, or nonverbal conduct based on an employee's race, color, religion, gender, national origin, age, disability, or any other basis prohibited by law, when the conduct is so severe, persistent, or pervasive that the conduct:

- HARASSMENT**
1. Has the purpose or effect of unreasonably interfering with the employee's work performance;
 2. Creates an intimidating, threatening, hostile, or offensive work environment; or
 3. Otherwise adversely affects the employee's performance, environment or employment opportunities.

EXAMPLES Examples of prohibited harassment may include offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, gender identity, or need for workplace accommodation; threatening or intimidating conduct; offensive jokes, name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other stereotypes; or other types of aggressive conduct such as theft or damage to property.

SEXUAL HARASSMENT Sexual harassment is a form of sex discrimination defined as unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:
Submission to the conduct is either explicitly or implicitly a condition of an employee's employment, or when submission to or rejection of the conduct is the basis for an employment action affecting the employee; or
The conduct is so severe, persistent, or pervasive that it has the purpose or effect of unreasonably interfering with the employee's work performance or creates an intimidating, threatening, hostile, or offensive work environment.

EXAMPLES Examples of sexual harassment may include sexual advances; touching intimate body parts; coercing or forcing a sexual act on another; jokes or conversations of a sexual nature; and other sexually motivated conduct, communication, or contact.

RETALIATION The District prohibits retaliation against an employee who makes a claim alleging to have experienced discrimination or harassment, or another employee who, in good faith, makes a report, serves as a witness, or otherwise participates in an investigation.

An employee who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding harassment or discrimination is subject to appropriate discipline.

EXAMPLES Examples of retaliation may include termination, refusal to hire, demotion, and denial of promotion. Retaliation may also include threats, unjustified negative evaluations, unjustified negative references, or increased surveillance.

PROHIBITED CONDUCT In this policy, the term "prohibited conduct" includes discrimination, harassment, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

REPORTING PROCEDURES An employee who believes that he or she has experienced prohibited conduct or believes that another employee has experienced prohibited conduct should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor or campus principal.

Alternatively, the employee may report the alleged acts to one of the District officials below.

DEFINITION OF DISTRICT OFFICIALS For the purposes of this policy, District officials are the Title IX coordinator, the ADA/Section 504 coordinator, and the Superintendent.

ALTERNATIVE REPORTING PROCEDURES An employee shall not be required to report prohibited conduct to the person alleged to have committed it. Reports concerning prohibited conduct, including reports against the Title IX coordinator or ADA/Section 504 coordinator, may be directed to the Superintendent.

A report against the Superintendent may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

TIMELY REPORTING Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to promptly report may impair the District's ability to investigate and address the prohibited conduct.

NOTICE OF REPORT Any District supervisor who receives a report of prohibited conduct shall immediately notify the appropriate District official listed above and take any other steps required by this policy.

The District may request, but shall not insist upon, a written report. If a report is made orally, the District official shall reduce the report to written form.

Upon receipt or notice of a report, the District official shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the District official shall immediately authorize or undertake an investigation, regardless of whether a criminal or regulatory investigation regarding the same or similar allegations is pending.

INVESTIGATION OF THE REPORT If appropriate, the District shall promptly take interim action calculated to prevent prohibited conduct during the course of an investigation.

The investigation may be conducted by the District official or a designee, such as the campus principal, or by a third party designated by the District, such as an attorney. When appropriate, the campus principal or supervisor shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

CONCLUDING THE INVESTIGATION Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall be filed with the District official overseeing the investigation.

DISTRICT ACTION If the results of an investigation indicate that prohibited conduct occurred, the District shall promptly

respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct.

The District may take action based on the results of an investigation, even if the conduct did not rise to the level of prohibited or unlawful conduct.

CONFIDENTIALITY To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

APPEAL A complainant who is dissatisfied with the outcome of the investigation may appeal through DGBA(LOCAL), beginning at the appropriate level.
The complainant may have a right to file a complaint with appropriate state or federal agencies.

RECORDS RETENTION Copies of reports alleging prohibited conduct, investigation reports, and related records shall be maintained by the District for a period of at least three years. [See CPC]

ACCESS TO POLICY This policy shall be distributed annually to District employees. Copies of the policy shall be readily available at each campus and the District administrative offices.

STUDENT WELFARE:
FREEDOM FROM HARASSMENT

FFH
(LOCAL)

Note: This policy addresses discrimination, harassment, and retaliation involving District students. For provisions regarding discrimination, harassment, and retaliation involving District employees, see DIA. For reporting requirements related to child abuse and neglect, see FFG. For provisions regarding bullying, see FFI.

STATEMENT OF NONDISCRIMINATION The District prohibits discrimination, including harassment, against any student on the basis of race, color, religion, gender, national origin, disability, or any other basis prohibited by law. The District prohibits dating violence, as defined by this policy. Retaliation against anyone involved in the complaint process is a violation of District policy.

DISCRIMINATION Discrimination against a student is defined as conduct directed at a student on the basis of race, color, religion, gender, national origin, disability, or on any other basis prohibited by law, that adversely affects the student.

Prohibited harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student's race, color, religion, gender, national origin, disability, or any other basis prohibited by law that is so severe, persistent, or pervasive that the conduct:

- PROHIBITED HARASSMENT
1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
 2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
 3. Otherwise adversely affects the student's educational opportunities.

Prohibited harassment includes dating violence as defined by this policy.

EXAMPLES

Examples of prohibited harassment may include offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, or need for accommodation; threatening or intimidating conduct; offensive jokes, name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

SEXUAL HARASSMENT

Sexual harassment of a student by a District employee includes both welcome and unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

- BY AN EMPLOYEE
1. A District employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
 2. The conduct is so severe, persistent, or pervasive that it:
 - a. Affects the student's ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student's educational opportunities; or
 - b. Creates an intimidating, threatening, hostile, or abusive educational environment.

Romantic or inappropriate social relationships between students and District employees are prohibited. Any sexual relationship between a student and a District employee is always prohibited, even if consensual.

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

- BY OTHERS
1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
 2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
 3. Otherwise adversely affects the student's educational opportunities.

EXAMPLES

Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

Necessary or permissible physical contact such as assisting a child by taking the child's hand,

comforting a child with a hug, or other physical contact not reasonably construed as sexual in nature is not sexual harassment.

Dating violence occurs when one partner in a dating relationship, either past or current, intentionally uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other partner.

Examples of dating violence against a student may include physical or sexual assaults, name-calling, put-downs, threats to hurt the student or the student's family members or members of the student's household, destroying property belonging to the student, threats to commit suicide or homicide if the student ends the relationship, attempts to isolate the student from friends and family, stalking, or encouraging others to engage in these behaviors.

DATING VIOLENCE For purposes of this policy, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

The District prohibits retaliation against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report, serves as a witness, or otherwise participates in an investigation.

RETALIATION A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding discrimination or harassment, including dating violence, is subject to appropriate discipline.

EXAMPLES Examples of retaliation include threats, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances, such as negative comments that are justified by a student's performance in the classroom.

PROHIBITED CONDUCT In this policy, the term "prohibited conduct" includes discrimination, harassment, dating violence, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

REPORTING PROCEDURES Any student who believes that he or she has experienced prohibited conduct or believes that another student has experienced prohibited conduct should immediately report the alleged acts to a teacher, counselor, principal, or other District employee.

Reporting suspected child abuse

Policies DF, DH, DG, FFG, GRA

All employees are required by state law to report any suspected child abuse or neglect to a law enforcement agency, Child Protective Services, or appropriate state agency (e.g.: state agency operating, licensing, certifying, or registering a facility) within 48 hours of the event that led to the suspicion. Abuse is defined by Texas Family Code and includes any sexual conduct involving an educator and a student or minor. Reports to Child Protective Services can be made to a local office or to the Texas Abuse Hotline (800-252-4500). Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent.

Please note: a certified employee's failure to report suspected child abuse may result in disciplinary procedures by SBEC for a violation of the Educators Code of Ethics and prosecution for the commission of a Class B misdemeanor.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. Employees are not required to report their concern to the principal before making a report to the appropriate agencies. In addition, employees must cooperate with child abuse and neglect investigators. Reporting the concern to the principal does not relieve the employee of the requirement to report to the appropriate state agency. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the investigator is prohibited.

The Texas Department of Protective & Regulatory Services (PRS) has designed a Web site for school professionals to report suspected child abuse/neglect in **non-emergency** situations.

Emergencies

All employees should be familiar with the evacuation diagrams posted in their work areas. Fire, tornado, and other emergency drills will be conducted to familiarize employees and students with evacuation procedures. Fire extinguishers are located throughout all district buildings. Employees should know the location of the extinguishers nearest their place of work and how to use them.

Crisis Management Plan

Policy CKC

The Board of Trustees and Administration of West Orange-Cove Consolidated Independent School District acknowledge the necessity to prepare a Crisis Management Plan in the event that a crisis should occur. Our children have a basic need for security and safety. Any event that threatens the feeling of safety and security will be considered a crisis. There are unlimited possibilities for crisis situation that could impact the district. Those include, but may not be limited to the following situations: suicide, death, acts of violence, trauma, natural disaster, and accident.

It is the intent of the Crisis Management plan to develop and implement

- administrative commitment to support the effort by allocating staff time, resources, and leadership;
- designation of responsible parties. Appropriate staff must be given the directive and resources to take action. Clear responsibilities and reporting lines will be spelled out; and
- plan for all staff inservice education. It is imperative that all staff including clerical, food service, and maintenance understand the goal of the plan, and learn prevention strategies.

Each school's Crisis Procedure Plan will be updated yearly to better reflect the actions required to minimize the loss of life and injury to persons and property.

At least once a year, **within one month after school commences**, the organizational manager will arrange for a faculty meeting for the purpose of reviewing the validity of the plan and to update the staff regarding new procedures.

The Crisis Management Plan handbook is located in the principal's office.

Student issues

Equal educational opportunities

Policies FB, FFH

The West Orange-Cove School CISD does not discriminate on the basis of race, religion, color, national origin, gender, or disability in providing education services, activities, and programs, including vocational programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

Questions or concerns about discrimination of students on the basis of race, religion, gender, national origin, or age should be directed to the Superintendent or Margaret Duchamp, the district's Title IX coordinator. Questions or concerns about discrimination on the basis of a disability should be directed to the Director of Special Education.

Student records

Policy FL

Student records are confidential and are protected from unauthorized inspection or use. Employees should take precautions to maintain the confidentiality of all student records.

The following people are the only people who have general access to a student's records:

7/15/2009

- Parents: Married, separated, or divorced unless parental rights have been legally terminated and the school has been given a copy of the court order terminating parental rights
- The student (if 18 or older)
- School officials with legitimate educational interests

Materials that are not considered educational records and do not have to be made available to a parent or student include teachers' personal notes on a student that are shared only with a substitute teacher.

The student handbook provides parents and students with detailed information on student records. Parents or students who want to review student records should be directed to the campus principal for assistance.

Parent and student complaints

Policy FNG

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handling complaints on different issues. Any campus office or the superintendent's office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teachers or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved to their satisfaction should be directed to the campus principal. The formal complaint process provides parents and students with an opportunity to be heard up to the highest level of management if they are dissatisfied with a principal's response.

Administering medication to students

Policy FFAC

Only designated employees can administer prescription medication, nonprescription medication, and herbal or dietary supplements to students. A student who must take medicine during the school day must bring a written request from his or her parent and the medicine, in its original, properly labeled container. Contact the principal or school nurse for information on procedures that must be followed when administering medication to students.

Dietary Supplements

Policies DH, FFAC

District employees are prohibited by state law from knowingly selling, marketing, or distributing a dietary supplement that contains performance-enhancing compounds to a student with whom the employee has contact as part of his or her school district duties. In addition, employees may not knowingly endorse or suggest the ingestion, intranasal application, or inhalation of a performance-enhancing dietary supplement to any student.

Student discipline

Policies in the FN series and FO series

Students are expected to follow the campus rules, classroom rules, and rules listed in the Student Code of Conduct and student handbook. Teachers and administrators are responsible for taking disciplinary action based on a range of discipline management procedures that have been adopted by the district. Other employees that have concerns about a particular student's conduct should contact the classroom teacher or campus principal.

Student attendance

Policy FEB

Teachers and staff should be familiar with the district's policies and procedures for attendance accounting. These procedures require minor students to have parental consent before they are allowed to leave campus. When absent from school, the student, upon returning to school, must bring a note signed by the parent that describes the reason for the absence. These requirements are addressed in campus training and in the student handbook. Contact the campus principal for additional information.

Bullying

Policy FFI

All employees are required to report student complaints of bullying to the Campus Administrator. The district's policy that includes definitions and procedures for reporting and investigating bullying of students is reprinted below:

West Orange-Cove CISD
181906

STUDENT WELFARE:
FREEDOM FROM BULLYING

FFI
(LOCAL)

Note: This policy addresses bullying of District students. For provisions regarding discrimination, harassment, and retaliation involving District students, see FFH. For reporting requirements related to child abuse and neglect, see FFG.

The District prohibits bullying as defined by this policy. Retaliation against anyone involved in the BULLYING PROHIBITED complaint process is a violation of District policy.

Bullying occurs when a student or group of students engages in written or verbal expression or physical conduct that:

- DEFINITION
1. Will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property; or
 2. Is sufficiently severe, persistent, or pervasive that the action or threat creates an intimidating, threatening, or abusive educational environment for a student.

EXAMPLES

Bullying of a student may include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name calling, rumor spreading, and ostracism.

TIMELY REPORTING

Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to promptly report may impair the District's ability to investigate and address the prohibited conduct.

REPORTING PROCEDURES

Any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, counselor, principal, or other District employee. A report may be made orally or in writing.

NOTICE OF REPORT

Any District employee who receives notice that a student has or may have experienced bullying shall immediately notify the campus principal or designee.

INVESTIGATION OF REPORT

If a report is made orally, the campus principal or designee shall reduce the report to written form.

The campus principal or designee shall determine whether the allegations in the report, if proven, would constitute prohibited conduct as defined by policy FFH, and if so proceed under that policy instead.

The campus principal or designee shall conduct an appropriate investigation based on the allegations in the report. The campus principal or designee shall promptly take interim action calculated to prevent bullying during the course of an investigation, if appropriate.

CONCLUDING THE INVESTIGATION

Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the report; however, the campus principal or designee shall take additional time if necessary to complete a thorough investigation.

The campus principal or designee shall prepare a written report of the investigation, including a determination of whether bullying occurred, and send a copy to the Superintendent or designee.

DISTRICT ACTION

If the results of an investigation indicate that bullying occurred, the District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct in accordance with the District's Student Code of Conduct. [For information on student transfers due to bullying, see FDB.]

The District may take action based on the results of an investigation, even if the District concludes that the conduct did not rise to the level of bullying under this policy.

CONFIDENTIALITY

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.

APPEAL

A student who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level.

RECORDS RETENTION

Retention of records shall be in accordance with CPC(LOCAL).

ACCESS TO POLICY

Information regarding this policy shall be distributed annually to District employees and included in the student handbook. Copies of the policy shall be readily available at each campus and the District's administrative offices.

Hazing

Policies FNCC, FO

Students must have prior approval from the principal or designee for any type of “initiation rites” of a school club or organization. While most initiation rites are permissible, engaging in or permitting “hazing” is a criminal offense. Any teacher, administrator, or employee who observes a student engaged in any form of hazing, who has reason to know or suspect that a student intends to engage in hazing, or has engaged in hazing must report that fact or suspicion to the designated campus discipline person.
