## MISD Employees of November 2025

### **Millsap Elementary School – Mrs. Cindy Southern (Special Education)**

Cindy is an incredible asset to our campus and a true champion for students. She tirelessly supports students with IEPs, ensuring each child gets exactly what they need to be successful. Cindy goes above and beyond every single day, building strong relationships with students, collaborating with teachers, and stepping in wherever help is needed. She consistently lightens the load for others and somehow manages to do the work of ten people with a positive attitude and a huge heart. We are so grateful for her dedication, her expertise, and the love she brings to our school community.

-----

### **Millsap Middle School – Mrs. Susan Holloway (MMS Counselor)**

Mrs. Holloway has been an extraordinary asset to our campus. She brings a wealth of knowledge, a true passion for students, and an unwavering commitment to excellence. Her willingness to step in wherever needed and her ability to anticipate the needs of both staff and students make her an invaluable member of our team. In addition, she has been instrumental in helping us thoughtfully refine and align our processes and procedures to a more updated and streamlined model, strengthening the great work already happening at MMS. Mrs. Holloway's dedication, positivity, and steady support have made a tremendous impact on our campus, and we are grateful for all she does each and every day.

## December 15<sup>th</sup> Board Recognitions

### **Millsap High School- Mrs. Audrey Gibbs (Pride of Millsap Asst. Band Director)**

Mrs. Gibbs has gone above and beyond in every possible way, and we are thrilled to celebrate her! Over the past month, she has stepped up with extraordinary dedication, taking on additional responsibilities as band director whenever Mr. Johnson was out. She led the band through a packed marching season, and when Jeff was injured, she didn't hesitate to take the reins—guiding students with confidence, calm, and heart. From forgotten instruments to meltdowns and the occasional disagreement, she handled it all with grace, making sure students were prepared, supported, and ready to shine at contest.

Her leadership was also on full display during the Veterans Program, where she delivered an exceptional musical performance that made our school proud. And when the cheerleaders needed a bus driver at the last minute? Mrs. Gibbs was there, making sure every Bulldog got where they needed to be!

One colleague shared:

"Over the past month, Audrey has stepped up in ways I could never have imagined. Since my accident, she has rearranged her own life to be there the moment I arrive, helping me into my wheelchair without hesitation. She brings my lunch every day, knowing I can't carry it, and she does it with a quiet grace that speaks volumes. Most remarkably, she has led the band forward with strength, vision, and heart—never asking for anything, always giving her all. Audrey embodies the true spirit of a Bulldog."

Mrs. Gibbs, your compassion, leadership, and unwavering dedication have made a tremendous impact on our campus. Thank you for bringing your light, your talent, and your heart to MHS.

We are Bulldog proud of you!

### **Millsap ISD District Staff- Mr. Chance McMinn (MISD Maintenance)**

Resoundingly, we are selecting Chance McMinn as the maintenance employee of the month. Chance continues to quickly tackle work orders and get them done in a professional manner. When he is not handling work orders he is mowing, weed-eating, picking up trash, or working on some long-term projects. He is a self-starter that sets a great example for others and is a huge asset to the middle school and Millsap ISD in general.
