Re: Contractor Recommendation  
2022 Track & Tennis Court Rehabilitation  
Red Wing High School  
LEI Project No: 12216168

Dear Mr. Alan Gaylor:

Based upon our review of the bid results for the above referenced projects, we recommend the apparent low bidder for the tennis court resurfacing, Upper Midwest Athletic Construction, be awarded the contract for this work in the amount of \$50,745, and we recommend the apparent low bidder for the track resurfacing, Athletic Field Services, be awarded the contract for this work in the amount of \$91,000.

We have experience working with both Athletic Field Services on track projects and Upper Midwest Athletic Construction on tennis court projects and have found their overall performance, workmanship, scheduling, and quality control to generally be good. Upper Midwest Athletic Construction has also previously performed tennis court related work for the Red Wing Public Schools several years ago.

If you have any questions, please do not hesitate to contact our office (651-481-9120).

Sincerely,  
**Larson Engineering, Inc.**

Greg A. Buchal, PE
