DO

Dear Mr. Chairman

This is a request from myself and Kristy BullShoe to have placed on the next School Board Agenda.

Policy 3525 - Mandatory Random Drug/Alcohol Testing Policy for Extra/Co-Curricular Activity Participants.

We have some question that we would like to have full board discussion on regarding this Policy. - This is NOT anything that needs approval, just discussion and we would like the full board involved.

Thank you

Kristy Bull Shoe
