

# ONE MORE LIKE YOUR BEST

## Selection Practices with HUMANeX Ventures

**Imagine...** an efficient, effective, and research-designed method to identify and select the best candidates for all positions within your school district. A selection practice that enables you to select one more like your best in mission-critical roles. And a partner to support you on the journey of creating a diverse pool of talent in your schools. Sound like a dream?

**HUMANeX Ventures can help you get there.**

With nearly 40 years of experience partnering with top educators, HUMANeX Ventures takes the guesswork out of *selecting top candidates* via its suite of research-based **Structured Interviews** that evaluate the key strengths necessary for success in the following roles:

**Teacher – General Education**  
**Teacher – Special Education**  
**Teacher Leader**  
**Paraeducator**  
**Frontline Staff**  
**Principal**

## LEARN FROM THE BEST

HUMANeX selection trainings are led by our top associates – including former educators and administrators with years of experience in the field. The trainings teach your own how to shift the focus from “good” candidates to “excellent” and hiring one more like your best.

### In-House Certification Training

Invite a HUMANeX trainer to come to your organization to train a group of your leaders and administrators.

### 6X Training Series

Join HUMANeX and other administrators in your area to fast-track certification on all six instruments in one week.

\*HUMANeX can also conduct any interviews on your behalf and provide detailed analysis and hiring recommendations.

### What do we measure?

HUMANeX identified key talents required for outstanding performance, with questions constructed to differentiate the *best from the rest* and ensure compliance with Equal Employment Opportunity standards.

### Five-Construct Model

- Drives & Values
- Work Style
- Relationships
- Influence
- Thought Process

### Additional Tools

HUMANeX Ventures can also partner with your district to provide:

- **Online Assessment** tools for screening candidate populations to compliment our in-depth structured interviews
- **Culture Assessments** for your entire district – teachers and staff
- **Student Engagement Assessments** that measure impact and growth
- **Professional Development** assessments and tools to drive growth and potential
