**CURRICULUM MATERIALS**

Couriers delivered many materials to the wrong buildings (materials were boxed and labeled). Once informed, all were sent back to pick up for re-distribution. I informed CO administrators and Building Principals of the delay. Some teachers called and asked if they could come and get their materials instead of waiting for them to be delivered to their buildings and those materials were distributed.

Mr. Sanchez visited every building to ensure that all teachers had everything they needed. (4 teachers were still in need of items).
