Date	2-23-2026
Agenda Item	Strategic Plan Goal 1: Consider approval of library materials list in compliance with Senate Bill 13 and EFB Local
Policy Reference	EFB Local
Strategic Goal	Student Success, Fiscal Responsibility
Department	Teaching & Learning

Recommendation:

Texas Senate Bill 13 requires that all new library materials purchased or donated to a school district must be publicly posted for at least 30 days and approved by the school board prior to distribution, except in cases of replacing damaged items or ordering additional copies of previously approved materials. Boerne ISD published the proposed list of new library materials on its website October 30, 2025. The materials were accessible for public review for the required 30-day period, during which no objections were submitted. All materials were selected following the district's board-approved library selection policy, in alignment with SB 13 requirements. The administration recommends approval of the following materials list. Upon board approval, these items will be added to the district's online searchable library catalog.

Summary:

The proposed library materials were publicly posted for over 30 days, as required by SB 13 and EFB Local. A feedback form was provided, and no responses were submitted.

Rationale

Per Policy EFB Local, adopted in response to SB 13, the Board must approve all new or donated library materials after a 30-day public review and ensure compliance with Education Code §33.021. Action will be taken at the first open meeting following the review period.
