SUBJ: LCTC Furniture and Equipment Purchase

The Livonia Career Technical Center (LCTC) is updating and upgrading the Gaming Design Animation Classroom and Computer Repair Lab. LCTC is requesting to purchase new student desks, chairs, makerspace tables, stools, and cabinets from Interior Environments (Novi, MI) totaling \$45,139.66. Additionally, LCTC is requesting to purchase a collaborative robot for the Engineering and Graphic Design programs and a laser engraving and cutting machine for Graphic Design. Three quotes were obtained for both the collaborative robot and the laser engraving and cutting machine. The purchase price for the collaborative robot is \$45,359.00 from Advanced Technologies. The purchase price for the laser engraving and cutting machine is \$39,882.00 from Midwest Laser. LCTC will utilize 61a CTE "added" cost categorical funds for each furniture and equipment purchase.

I am asking for this agenda item to be included as part of the Committee of the Whole meeting for March 16, 2026, with the intent to recommend to the Board of Education for approval at the Regular Board meeting on March 23, 2026.
