

## **FIS School Board Report December 15th, 2025**

### **ESS Award Winner**

I would like to give a special thanks to Austin French. I nominate Austin French for his drive, dedication, and commitment to Foley Intermediate School. There are not many staff members who will sit with students and eat their lunch. Austin's passion for excellence in our building needed to be recognized! Please thank him when you get a chance!

### **Music Concerts and One-Act Play**

We have had a variety of theater and musical performances in the last few weeks, such as our 5th and 6th grade music, junior high one-act play, 7th and 8th grade band concert, and 5th and 6th grade band concert. This allows our students to showcase their talents not only through academics but also through music. I would like to thank all our musical staff and theater directors for their continued support of our students in the classroom and in extracurricular activities.

### **End of Trimester 1**

FIS just ended trimester one on November 18th. The 19th was a virtual (weather) staff PD and work day. FIS provided professional development around MTSS, PLCs, and AI integration into the classroom, and the CAPTI Dyslexia Screener. In the afternoon, teachers had time in their classrooms to finish grading and prepare for trimester 2.

### **Thanksgiving**

Our kitchen staff made an exceptionally good Thanksgiving meal! I was fortunate to be able to help cut and serve turkey to all of our FIS students. Students then referred to the turkey as "Mr. Wittmer Turkey". We are very lucky to be able to provide these experiences for our students!
