

CROSBY - IRONTON

SCHOOL DISTRICT 182

Activities Director Report

December 15, 2021

News/Notes

- We are in need of concession workers. Concessions are a great way to fundraise for any group/organization. We have already hosted games this season without concessions and there are several games in the future for which we do not have workers signed up.
- Rangers boys basketball needs a new voice! The announcing position is currently vacant for the entire basketball season.
