CORE VALUES

WE believe that:

1. All of us must be bold, student-focused advocates, making collaborative decisions to ensure a united vision that enhances educational opportunities.
2. Trust is an active process and essential to ensure the academic wellness, safety, and success of our students, staff, and community.
3. All of us deserve to be cherished, challenged, and stretched to reach our highest level of contribution.
4. All of us must take responsibility for our learning journey to achieve the goals we set for ourselves.
5. Authentic transformation requires being comfortable with being uncomfortable.
