

**Consider approval to delete Board Policy CKEA(LOCAL) and adopt replacement policy
CKE(LOCAL).
October 20, 2025**

1. Board Goal:

DOMAIN 3: POSITIVE SCHOOL CULTURE/SAFETY & SECURITY

2. Background:

The Texas 89th legislative session included a bill, allowing Texas school district police departments to utilize reserve officers. UCISD would like to amend our board policy to allow reserve officers to serve hours in the district. Reserve officers volunteer their time to keep their commission. All reserve officers will be trained prior to being allowed to volunteer. We believe this will allow UCISD to maximize safety and security across the district.

3. Process:

If the board approves the new policy allowing reserve officers to serve volunteer hours for the Uvalde CISD police department, the police chief will begin to interview reservists and approve them as volunteers.

4. Fiscal Impact:

NONE

5. Recommendation:
