**SUBJECT:** Discussion and consideration of SB 11 Resolution regarding daily school prayer and religious text reading in public schools.

**RATIONALE:** In accordance with SB 11, the law permits but does not require the Board to adopt a policy establishing a daily period for voluntary prayer and/or the reading of religious texts (such as the Bible or other religious writings) during the school day. The Board is required to take formal action to either adopt or decline the policy within the statutory timeline.

**RECOMMENDATION:** The administration recommends that the Board vote to either approve or decline the implementation of SB 11.
