

Meeting Date: February 18, 2021

Submitted By: Bill Atkins
Title: Chief Financial Officer

Agenda Item: Consider and take action regarding approving waiver to the Texas Education Agency that allowed the District to move to remote instruction.

CONSENT ITEM

RECOMMENDATION:

I move that we approve the waiver to the Texas Education Agency to move the district to remote instruction during the inclement weather of the week of February 15, 2021.

IMPACT/RATIONALE:

The inclement weather which occurred the week of February 15, 2021 made it unsafe for students and staff to allow face to face instruction. The Texas Education Agency provided guidance on February 11, 2021, that allowed districts to move to full remote instruction without the loss of funding.

This waiver will allow the district to receive full funding for the days that there was not any face to face instruction.

BOARD ACTION REQUESTED:

Approval/Disapproval
