CISD Board Agenda Item Synopsis

Subject: Consider Approval of the Elementary Literacy Consumables Package

Background Information: CISD administration is presenting and recommending approval of Savvas supplemental materials for literacy on the elementary level. Because the cost of these materials is greater than \$50,000.00, the administration is required to seek Board approval, per Board Policy. Savvas combines the power of advanced technology and dynamic curriculum to create next-generation learning solutions — delivered in the physical classroom or in remote settings — that offer engaging, personalized, and real-world learning experiences.

Goals:

- 1. We will provide and support a safe, civil and collaborative culture.
- 2. We will continuously provide and support effective teaching in every classroom.
- 3. We will provide and support a guaranteed and viable curriculum.
- 4. We will continue to foster a love of reading and commit to continual growth in childhood literacy.
- 5. We will foster strong numeracy skills and commit to continual growth in math success.
- 6. We will provide targeted strategies and practices to prepare students for post-secondary education, career readiness, and military participation.
- 7. We will attract, recruit, develop, and retain high-quality professional staff.

Budgetary Impact:

\$153,129.15

Recommendation:

The District recommendation is for the Members of the Board to approve the Elementary Literacy Consumables Package as presented.
