2011 -2012 Student Code of Conduct

According to Chapter 37 of the Texas Education Code, the Board of Trustees is required to adopt a Student Code of Conduct designed to promote a safe, secure and optimal learning environment for all students. As such, the CISD 2011-2012 Student Code of Conduct is submitted for your approval.

The 2011-2012 Student Code of Conduct was thoroughly reviewed by a committee of district administrators from elementary and secondary campuses. The committee met three times to review the document and to discuss needed changes. A final draft of the 2011-2012 Student Code of Conduct was sent to Joe Tanguma for legal input.
