Item # 6-E

SUBJECT: Interlocal Agreement with Tarrant County Cooperative

PRESENTOR: Sandra Callahan, Chief Financial Officer

LENGTH OF PRESENTATION: 3 minutes

DISTRICT MANAGEMENT – Fiscal Management

Tarrant County Purchasing provides interlocal agreements that allow other government jurisdictions and districts to obtain goods at competitive prices. The Department's furnishing of supplies, equipment and services at the best possible price makes its contracts attractive to other entities. Through piggybacking on its contracts, interlocal members may take advantage of cost savings.

There is no membership fee for members of Tarrant County Cooperative.

RECOMMENDATION: I recommend the Board approve the Interlocal Agreement with Tarrant County Cooperative.
