Empowering Teachers and Students through 1-1 Device Access

How do we make this happen? Multi-step Process

Levy Question 3 Funds for next 10 years

-Staff devices and initial training
-Upgrade internet & technology infrastructure

-Initial student device rollout
-Continue staff devices and training

-Continue adding devices
-Ongoing staff training & support

End Goal: Equitable Access
All teachers and students have access to a device for teaching and learning.

ISD 709 Duluth Public Schools
