RE: Discussion of Standing Board Committees

BACKGROUND

The Board of Education must have representatives assigned to the Standing Board Committees, as outlined in Board Policy 2:150

SUMMARY.

Earlier in this meeting I recommended a [First Reading of the revised Board Policy 2:150](#) to establish three Standing Board Committees, including Policy; Finance, and Facilities.

If the Board considers the Second Reading, and then approves the revised Policy 2:150 in the Consent Agenda during the June 9, 2025 regular Board of Education meeting, the Board President will then announce the final appointments for these three committees at that meeting.

The newly seated Board of Education should discuss the potential appointments tonight. Anyone interested should then convey their interest to the Board President prior to the June 9 meeting. If there are multiple individuals interested, it is the Board President's responsibility to determine those final appointments.
