Early Return to Work

Highly recommended

Efforts will be made, on a case-by-case basis, to reinstate ill or injured employees to work. The reinstatement will be within the requirements of the injury, the limitations of the law and the limitations of the district.

In the event an employee is not able to perform essential job functions completely after an illness or injury, the district will determine whether reasonable accommodations are appropriate that would provide a temporary light-duty assignment, restructuring of a position to include modified workdays, shift or part-time work, hours of work or modifications in facilities, equipment, special aids and services. Reasonable accommodations must not result in an undue hardship on the district.

If an employee cannot be reasonably accommodated in their current position, the district will review alternative assignments. The employee, if qualified, will be offered an available vacant position with or without reasonable accommodations. If recovery is ongoing, sick leave is exhausted and no other assignment is possible, the district may provide temporary unpaid leave as an accommodation in accordance with state and federal law.

The district will maintain current job descriptions for each position. Physical requirements for appropriate job categories will be established.

The superintendent will develop procedures as necessary to implement this policy.
