

Port Orford-Langlois School District 2CJ

Code: CG-AR
Adopted: 4/10/06
Orig. Code(s): CG-AR

Special Programs Administration

The superintendent will report to the board, at least annually, on the administration of specially funded programs.

The report will detail the grant program summary, the related CIP goals, and current appropriations as well as the superintendent's plan for overseeing the appropriate expenditure of federal funds and compliance with legal and conditional use of these monies.

The report shall also identify the person(s) responsible for the completion of the grant applications, state and federal reports, and monitoring of expenditures.
