- **DELIVERY AREA FENCING COMPLETED**
- **STORE FRONT FRAME INSTALLED**
- **LINEMAN STARTED MONDAY**

DEL RIO CAMPUS

DEL RIO CAMPUS

The image shows the interior of a building under construction. The structure is made of dark brown steel beams forming a grid for the roof and walls. A large glass door with a black frame and a red trim is the central focus, looking out onto a construction site. Inside the building, there are several large rolls of white insulation material on wooden pallets. In the background, there are large objects covered in black plastic tarps. Outside, a blue forklift is visible on the right, and a yellow construction vehicle is on the left. The sky is overcast with grey clouds.
