### Hello GGS Families,

We are rolling with the school year and conferences are coming up this week! You should have received your reminder of when your conference is scheduled. If you need to double check or change your conference time, please call the office at 503-322-0311. We are striving for 100% attendance for our families!

### Attendance

Mrs. Flynn's and Mrs. Armstrong's classrooms had "tied" for the highest attendance for the month of September. Students were able to enjoy a treat for being here! Due to the overall high attendance for the month of September, we celebrated with an all school recess, because we were at 95% attendance overall! It is fabulous to see the growth in our attendance!

We are starting to look at the overall percentages of students who are 90% in attendance or greater. So if a classroom of 20 has three students who are less than 90%, that classroom would only be 85% attendance rate. If your child has missed **three or more days this year**, they are already under the 90% mark! We are really striving for classrooms to also be at the 90% of attenders for 90% of the time.

## Picture Retake Day--Tomorrow!

This is happening on Monday, October 20th! If you would like your child to have their picture taken (due to missing the first Picture Day) or retaken, please let your teacher and office know.

## Lunch Menu CHANGE!

On Monday, October 20th, we will have a lunch item change to Tillamook Cheeseburgers (no corn dogs). If your child does not like this option, we have a sandwich as an option, or they can always bring a home lunch.

Also on Thursday, October 29th, we will not have Pancake on a Stick, but it will be replaced with Sausage Gravy Bites. I know for some students these changes are a big deal and I want to make sure everyone is aware.

## Parent Feedback Survey--Back to School Night

We are wanting feedback about our Back to School Night we had in September. Please take a couple minutes to jot down your thoughts even if you didn't attend. We would love to hear from you!

## Art Literacy Volunteers Wanted

We are looking for parent volunteers for Art Literacy. This happens once a month with each classroom kindergarten-5th grade. Mr. Gordon, who retired this year, is the new teacher for this program! If you are interested in helping out, please make sure to fill out the volunteer application form and take the online class around student safety. Questions, please ask!

The month of October, students will be learning about monotype printmaking with Gelli Plates. Students will learn about an art concept and then have the opportunity to create their own art piece based on the concept.
