## Hugle's Happenings .....

### Knight Fitness

You may have noticed our new outdoor fitness equipment on the lawn. Feel free to try it out!

The equipment was ordered as part of our efforts to get students outside more often and to get their bodies moving and staying healthy. Though about 1/3 of Knights participate in athletics, that leaves the other 2/3 who do not. If students are enrolled in physical education, they will get a workout during the day. Unfortunately, that still leaves many students without a physical outlet during the day.

We all know that physical movement is necessary for the brain to operate at peak performance. Our ability to maintain attention and concentration is directly related to our daily nourishment and physical activity.

We purchased nine pieces of fitness equipment designed to cover three of the fitness components: strength-training, flexibility and aerobics. Our next step would be to add some balance opportunities, the simplest of the components. All nine are easy to use and most are two-person, providing opportunities for users to socialize while they work their bodies.

Thank you to the West Family Foundation, NV Boosters, Three Rivers Schools Foundation, Cliff Woodruff Construction and Mr. Klumpp's advanced metals students for making this possible. We hope PE classes, students on lunches and breaks, staff, parents and community will enjoy our "adult playground". Come climb on!

# Seniors - 2010

## What is FASFA Night @ NVHS?

Seniors and their families should attend this workshop to get information on how to fill-out the FAFSA online. The FAFSA is an application used by colleges and universities to determine the amount of aid a student qualifies to receive. Some scholarships are based on merit, yet the FASFA must still be filled out. Students across the nation fill out the FASFA. The first date it can be submitted is January 1st, 2010. Those filings first receive priority consideration for financial resources. It is somewhat of a race, and it is important to be expedient and practice when completing this application online.
