

SUBJECT: Consideration and possible approval of an interlocal agreement between Pasadena ISD and The University of Houston for three (3) years whereby J. Frank Dobie High School will serve as a clinical/preceptor internship site for University of Houston students in the Master of Athletic Training Program at no cost.

BACKGROUND: The University of Houston and Pasadena ISD seek to add an additional clinical site at J. Frank Dobie High School for the UH Master Athletic Training Program due to a favorable experience at Pasadena High School. This is a great opportunity for cooperation of experience and influence for all parties involve, the University of Houston, Pasadena ISD, and the athletic training program at Dobie High School. If approved, Dobie High School will serve as clinical/preceptor site for University of Houston students in the Master of Athletic Training Program. The contract outlines the details of the affiliation agreement. Dobie High School athletic trainers, Jesse Lopez, Emma Hernandez, and Lori Mahan will serve as clinical supervisors for UH Master of Athletic Training students. The UH graduate students will gain exposure to real-time athletic training experiences while completing their required internship hours and competencies required to complete their master's degree.

FINANCIAL IMPLICATIONS: NONE

RECOMMENDATION: We recommend approval of an interlocal agreement between Pasadena ISD and The University of Houston for three (3) years, whereby J. Frank Dobie High School will serve as a clinical/preceptor internship site for University of Houston students in the Master of Athletic Training Program at no cost to PISD or Dobie HS.
