

## **PUBLIC HEARING ON THE 2016-17 SCHOOL FIRST RATING**

### **Hearing:**

The School First Ratings from TEA were released on November 3, 2017. One of four ratings may be applied to each district: 1) Superior, 2) Above Standard, 3) Meets Standard, and 4) Substandard.

Once again this year, Jefferson ISD has been given the “Superior” rating from the state regarding the State’s Financial Integrity Rating, which is designed to assess the financial efficiency and effectiveness of each district across the state through an evaluation/consideration of fifteen (15) different criteria. This agenda item should allow for public comment and discussion regarding the JISD School FIRST rating.

(Allow for public comment)

Mike Wood, Business Manager, is here to help explain the School First rating in more detail and answer questions, as appropriate.
