

# Monaco Elementary Board Communication

**Happy April Fool's Day!** We are starting out April with local **Battle of the Books** competition on the 1<sup>st</sup>. One team from Monaco and one team from Brockett will advance to the regional competition in Krum on the 5<sup>th</sup>! Our very own team from **MES-Reyna/Adams**-won first in **Regional Competition!**

Our **Up & Atom Science Exploration Night** was a big success! We have three 5<sup>th</sup> grade students who will be entering the **TWU** science competition. Sci-Tech helped with the hands-on experiments and then demonstrated what science can do with a **WOW** Show at the close of the evening.

**Huddle** will be on Friday the 19<sup>th</sup>!

**Fish Camp** will wrap up on the 17<sup>th</sup>.

**STAAR Testing** happens on the 2<sup>nd</sup> and 3<sup>rd</sup> for fourth and fifth grades and then on the 23<sup>rd</sup> for 3<sup>rd</sup> and 4<sup>th</sup> grades and the 24<sup>th</sup> for third-fifth grades. Our students have been studying hard to do a good job. We wish them Good Luck!

**M&M's** (Monaco Musicians) are still going strong. They will be having their performance in May. This is for our 4<sup>th</sup> and 5<sup>th</sup> graders.

**Kinder** will be performing their musical program "Alphabet Adventures" on the evening of the 18<sup>th</sup> at 7:00 pm.

MES will also have our monthly **MooYah Night** on the 18<sup>st</sup> at the Little Elm location.

**StuCo Penny Wars** will be having a bake sale the week of the 8<sup>th</sup>. Lots of goodies will be hanging around here!

**National Volunteer Week** is the week of the 21<sup>st</sup>. We love having our volunteers on campus and would not be able to function as efficiently without them. We will be recognizing them on May the 1<sup>st</sup>.

We at MES want to express our appreciation to Dr. Monaco for his many years of service to Aubrey ISD. We are saddened by his announcement of retirement but are excited for what opportunities the future may hold for him and his family!

**From All of Us at MES....**

**Remember, April showers bring  
May flowers!**
