Background Information

The purpose of these showcases is to celebrate and highlight the happenings in our schools and district. Each week a member of the Leadership Team will highlight an activity, group or individual from our district.

The highlight of today's meeting is Tammy Mikkelson and the Red Wing Junior High Math League.

The Red Wing Junior High Math League (6th - 8th grade) took 1st place for the season after 5 meets edging out Cannon Falls by 10 points.

These kids have worked hard since September (and some over the summer) to perform well and earn 1st place!

6 kids scored on the top team for each meet and also compete as a team.
