Information

### **Purpose/Background:**

The final poured-in-place playground surface is scheduled to occur this summer with the removal of the worn artificial turf throughout the Kindergarten Playground. The Administration Team is recommending a monkey bar replacement before the surface is finalized. The new attic climber and steering wheel panel would be intended to reduce the risk of injuries.

### **Fiscal Impact:**

\$5,781.00

### **Recommendation:**

This summary is for informational purposes. The Administration requests direction from the Facilities Committee on next steps.
