Purpose:

To provide the Facilities Committee an update on StudioGC architecture+interiors District Projects:

1. Flooring selections for Rutledge Hall corridors and main entries
 - Confirm Option #2 for the corridors
 - Alternate Jaguar logo color options for the walk off mats
2. Sitework options for the campus exterior north of Rutledge Hall
 - Surface options
3. Lincoln Hall Courtyard
 - Replace the SIX (6) second floor courtyard windows entirely now, or delay?
 - Existing few sections of curtain wall on the 2nd floor that have painted panels, but the curtain wall itself looks to be the original system and old, single-pane, non-tempered glass. Replace the whole curtain wall system Summer 2025 or in the future after the next HLS study?
 - Preferred color of new infill panels: Custom blue to match the window frame, or other?
