ACTION

TITLE: Continuous Improvement Plan Update

DATE: January 23, 2023

RESPONSIBLE ADMINISTRATOR: Terry Morawski, Ed.D.
Superintendent

BACKGROUND/CONSIDERATIONS:

Following the completion of the Vision 2023 Strategic Plan, the district launched a new process to gather input for a new Continuous Improvement Plan. This schedule and process was presented to the board at the August 22, 2022 meeting. Input was collected via in-person meetings with students, staff, and community members last fall. Additionally, a survey was available for input where more than 2,700 responses were collected.

The Superintendent will present the new plan for board discussion and approval. If approved, the next step for the district will be to identify data to be monitored. This data dashboard will then be presented to the board for discussion and approval. Once approved, the new continuous improvement plan and data dashboard will direct the core work of district staff.

RECOMMENDATIONS:

The administration recommends the Board approve the Fort Smith Public Schools Continuous Improvement Plan, as presented.

If the Board agrees, the motion would read: **move to approve the Fort Smith Public Schools Continuous Improvement Plan as presented.**
