Fall Sports are up and running.

## **Fall Sports-**

### **Volleyball-**

Volleyball has a total of 32 girls in the program. The varsity team is currently 0-2 on the season. Coach Nash is optimistic with this varsity group. They have improved a lot over the summer. They have a lot of matches coming up in September. Looking forward to seeing them progress as the season progresses.

### **Football-**

The football program has a total of 67 kids out currently. The varsity football team is currently 1-0 beating Laguna Beach week 0. The JV team also won their first game against Columbia last week. We are hosting Gooding's JV and Varsity team this Friday. We will also be doing the ribbon cutting ceremony for the new field before the varsity game. The ribbon cutting should happen right around 6:30.

### **Cross Country-**

Cross Country has had only one competition thus far at New Plymouth. There are a total of 14 kids out for Cross Country. Numbers have increased by one since last year, which is good considering Girls Soccer took several of their runners from last year's team.

Cross Country is heading to Weiser Friday morning for the Weiser Invite.

### **Girls Soccer-**

Soccer is off to a 2-0 start. They beat Emmett and Weiser thus far. They have a total of 27 girls out right now. So many girls that we will be adding some JV matches when we can. Coach Nicoletti has been doing a fantastic job thus far. I cannot imagine anyone else leading this first year program.
