

ADDENDUM

REGULAR BOARD MEETING Monday, April 21, 2025 SPCC-Governor's Room 6:30PM

VII. ACTION ITEMS

6. AGENDA ITEM #6

Subject: Consider Approval of the Plan to Renovate MVED Building

Action: Requires a Motion

Background: As you are aware, the MVED building, owned by the Saint Peter Public Schools, is in need of repair and renovation. We have looked at a number of options including a remodeling and reconfiguring of the building. The cost for that option was more expensive than anticipated and was taken off the table. A second option was shared with the Business Committee at their April 9th Meeting. It includes replacing wall panels, painting and flooring at a projected cost of \$338,000. Project funding would come from the MVED Fund Balance, our Long Term Facilities Maintenance funds and an increase to the lease of MVED space of \$3 a square foot. These funding sources total \$340,000. In order for the project to be completed by the start of next school year, we need a decision on whether or not to move forward with renovation plans at tonight's meeting. The Business Committee recommends School Board approval of the plan.

Presentation: Superintendent of Schools
Operations and Maintenance Supervisor

Options/Recommendation: I recommend approval of the plan to renovate the MVED building.
