Student Highlights:

FCS students hosted an amazing speaker. NFL legend Shawn Harper came and visited FCS on Friday, November 16th. He spoke to students in grades 3-8 about bullying, making positive choices, and being all that they can be. He was a huge positive impact on all the students.

We held our first FCS “TUTU COOL TO BULLY” day on November 28th. Several MS students spent all of their free time making tutus for others to wear. We also held a FCS flash mob. This was to make students aware that bullying needs to stop at FCS and to honor a past student, Kaitlyn Boris who took her own life last August because she was bullied. More than half of the FCS population and staff donned tutus for that day.

What’s New:

Goal Setting conferences were held with each certified staff and either Mrs. Hofenbredl or Mrs. Pelt. One professional goal for every certified staff had to be on a CFA. A CFA is a Common Formative Assessment. This is an assessment that all of the staff in like grade levels or content areas gives the same test at the same time. Then they will look at the data to make changes to their instruction. This is a very valuable educational tool.

Middle School Girls Basketball is doing a fundraiser to support breast cancer research. They are taking pledges for their total points of 2 of their games. All of the money raised will go to the cause. They also have a pink basketball that they are going to use.
