SUBJECT:

Contract For Branching Minds

RATIONALE:

Contract for the purchase of Branching Minds for Huntsville ISD from July 1, 2025 through June 30, 2026, for \$76,500.00. Partnerships with Branching Minds provides the district include, but may not be limited to: Infrastructure support, platform/licenses for all teachers, support staff, and administrators, SEL Assessments, Integrations of data and technology to streamline our practice, Ongoing customer support, Professional Development and Coaching. This program aligns with our continued work on quality Response to Intervention implementation and will be the hub for documentation on intervention needs, intervention resources, and assist campuses with making appropriate referrals for programs such as 504 and special education.

RECOMMENDATION:

Administration recommends approval of contract of Branching Minds for Huntsville ISD through June 30, 2026.
