

BHS Graduation 2020
May 26, 2020 11:00 am

Graduation, and all the festivities leading up to it, are time honored traditions for all Seniors; a rite of passage into adulthood. However the COVID-19 Pandemic has put some roadblocks as to how we will accomplish these events for our students.

We have met with Administration, BPS School Board officials, and the Blackfeet Tribe Unified Incident Command to make plans and decisions that protect not only our students and staff, but our entire community. Since the Blackfeet Tribe has enacted Resolution 181-2020 Ordinance 121, we are working to follow and provide meaningful events virtually for all students, parents and community.

Graduation will be **Tuesday, May 26, 2020 @11am** with a parade around the BHS involving **only staff, graduates and their immediate families.**

This historical event will be broadcasted over

- radio station (KBWG),
- Cable TV, and
- Facebook Live
- Jumbotron screen (1 @ BHS, 1 in the community)

We want our community to be able to witness this special moment. These recorded events will be sent to each graduate and will be viewable on our BPS website after the ceremony.

Per the Blackfeet Tribe's Ordinance,

- BHS does not encourage non-residents or out of state visitors to visit the Blackfeet Reservation for graduation
- follow social distancing guidelines set forth by the tribe and state
- each person in the vehicle has masks and gloves
- groups under 10 people

The map shows 4 stations for the processional to go through during the Graduation Parade.

- enter on the green colored road
- exit on the red colored road

BPS and BHS are not responsible for activities that take place off of our school campus

The map is attached.
