# STUDENT NEWS

BY MADDIE  
& JAMAS

I would like to talk about the new rules of the field that a group of students and Mrs. Hart came up with.

And remember these are only the rules for the field you don't have to do field activities you can also do Wall ball, Basketball, One touch, or swing.

By Maddie

**Monday= Soccer day.** 

**Tuesday= Frisbee & free play day.**

**Wednesday= Soccer day.**

**Thursday= Football day.**

**Friday= Football day.**

## Good job to the Science Fair participants!

We interviewed Sayge and Josh to ask how the science fair was. Here are some of the questions we asked and there answers.....

Q: Sayge, did you like your experiment?

A: yes.

Q: How did you choose your experiment?

A: My dad thought of it and I thought it would be fun, which it was.

Q. Josh, What was your experiment?

A. Does a common batter work better than a store batter?

Q. What made you do this experiment?

A. To see if I could produce the same volt count as a normal battery.

Q. Were you happy with the outcome?

A. Yes

-Maddie
