

2016 Assessment for Learning Conference

Presenter Information

Sandy Snow, Assessment for Learning Conference Presenter:

Congratulations on having your proposal selected for the 2016 Denton I.S.D. **Assessment for Learning Conference**. The conference is being held at Guyer High School located at 7501 Teasley Lane Denton, Texas 75210. As a presenter, you will be able to attend the conference free of charge and learn from authors/researchers/experts/colleagues who are implementing this work!

To make your experience during this conference as seamless as possible, Presenters are asked to do the following:

1. Check the **Title** and **Description** you submitted with your proposal and notify us immediately if there are any errors. We want participants to make breakout choices based on accurate information about the session. (See Below)
2. **Arrive** at Guyer HS at least **one hour** in advance of your scheduled presentation (Check the attached sticker for day/time of your presentation).
3. **Report to room E-115 "Go Center"** located off the main hallway, adjacent to the office and across from the auditorium. You will sign in, receive a presenter's packet, be escorted to your assigned room, and technology assistance will be provided.

Additional Reminders:

- ❖ Rooms are equipped with projection units and computers. Presenters should bring their presentation on a pin drive or access it on the web. If you prefer to bring a personal laptop, make sure you have a cable to connect to VGA.
- ❖ Handouts are the responsibility of the presenter.
- ❖ **Be sure you collect all your belongings and leave your presentation room in order for the next presenter.**
- ❖ Enjoy all Denton's Assessment for Learning Conference has to offer.
- ❖ Please contact Mary Helen Martin at (940)369-0662 if you have any questions or need additional assistance.

Important Information:

Session Title & Description: (See Note #1 Above)

Oh the Places Students Can Go . . . With Formative Assessment – Learn how to accelerate teaching and learning using formative assessments to know where students are in their learning and determine next steps in instruction. Experience how formative assessment blends engagement, collaboration, and ownership for learning. Leave the session with simple, time efficient formative assessment tools that ensure student success.

Tuesday, June 7th
