

## **Parent Summit Summary – Saturday, March 29, 2025**

The 2025 Spring Parent Summit, *Recipe for Success*, was designed to support Judson ISD's 10-5-3 Scorecard Strategic Objective 3.1: Improve satisfaction and engagement with parents and families.

One of the district's long-term outcomes is to increase participation in family engagement in district-level events and activities.

### **Summary:**

- Multiple departments facilitated hands-on sessions to demonstrate and share resources.
- Over 70 families (150+ guests) attended the event.
- Each family choose from a selection of books to begin or add to their home library.
- This Open House style event showcased resources, demonstrations, and activities shared by staff from 14 departments district wide.

### **Station Activities**

- Elementary Curriculum and Instruction: Strategies for Parents
- LOTE: Translation Assistance
- Student & Family Support Services: Popping Hot Ideas for Success
- Child Nutrition: Cooking Demonstration
- Instructional Technology: Tech Bytes
- Assessment & Accountability: Cooking Up Success - A Recipe for STAAR Preparation
- Librarians (LITES): Batter Up-Decadent Layers of Learning
- RTI Behavior Specialist: Baking Up Better Behavior
- Health Services: School Health Tips and Activity Books
- Federal Programs Department: Books, Books, and More Books! Let's Cook!
- University Health Texas: Health Resources
- Special Education: Books, Resource sharing, and Activities
- CTE & Advanced Academics: Informational Handout
- Adventure Club: Coloring Books

Over 70 families participated in various activities, from making fruit skewers to learning new ways to access digital materials. Every family went home with new additions for their libraries.

Thank you to the principals, administrators, teachers, and staff who encouraged our parents to come. A special shout-out to all those who assisted and facilitated.

Here are a few pictures that captured the day.
