

**BEAVERTON SCHOOL DISTRICT/HILLSBORO SCHOOL DISTRICT
BOUNDARY ADJUSTMENT****SITUATION:**

For the last several months, the School Board has been engaged in a process to jointly consider a district boundary adjustment between the Beaverton School District and the Hillsboro School District.

BACKGROUND INFORMATION:

The Beaverton-Hillsboro Boundary Adjustment Committee included Superintendents and staff from both districts as well as the Chair of each Board. The Committee thoughtfully considered the adjustment proposal using the process approved by both Boards.

The Committee reviewed existing information regarding the boundary proposal including geographic area, financial impacts to each district, additional information about the boundaries of other jurisdictions (City, Metro), location and capacity of schools in both districts, and impact to property owners of the proposed changes. The Committee also engaged the affected communities with two community meetings. Each district also created a webpage about the proposal and process.
