TITLE ONE

Manzanita receives federal funds for Title One programs that are part of the No Child Left Behind Act. Throughout the school year, we will continue to provide parents with important information about this law and your child's education. You have the right to request information regarding the professional qualifications of your child's classroom teacher. When you request this information, the district will provide you with this information in a timely manner. You have the right to request the following information:

*If the teacher has met state licensing requirements for the grade level and subjects in which the teacher is providing instruction.

*If the teacher is teaching under an emergency status for which state licensing requirements have been waived.

*The type of college degree and major of the teacher and the field of discipline for any graduate degrees and certificates.

*If your child is receiving Title One services from paraprofessionals and, if so, his/her qualifications

If you would like this information, please contact the school at 541-479-6433

Education of all Disabled Children/Young Adults

Public Law 105.17 known as I.D.E.A. (Individualized Disability Education Act) requires that school districts provide a free and appropriate education to all disabled children/young adults from birth to age 21. Three Rivers School District requests the identification of any disabled children/young adults between the ages of birth to 21, who are not enrolled or currently being served by the district school. *If you know of any disabled children/young adults between the ages of birth to 21, who are not receiving education services, please call the Special Education Department of Three Rivers School District.*

A note from our principal... Dear Wonderful Manzanita Families,

As we begin the exciting new school year ahead, we want to extend a warm welcome to each and every one of you! At Manzanita Elementary, we believe that every day of your child's education is a chance for growth, discovery, and endless possibilities. Our dedicated team of educators is committed to providing a nurturing and enriching environment where your children can thrive academically, socially, and emotionally.

One key ingredient to a successful school year is consistent attendance. We encourage all our young learners to attend school every day, as each day missed is an opportunity for learning and growth missed. We understand that unexpected circumstances can arise, but with your support, we can ensure that your child is present and engaged in their education to the fullest extent possible.

As we begin this year I cannot express enough the importance of home to school communication. Positive communication is the cornerstone of a successful partnership between parents and school. We value your insights, questions, and feedback, and we encourage open and ongoing dialogue. Together, we can create a strong support system for your child, fostering an environment where they feel motivated, confident, and eager to learn.

Working collaboratively, parents and teachers can achieve great success in nurturing our students' potential. Let's embark on this journey together, building a foundation for a year filled with achievement, growth, and memorable experiences. We are excited about the possibilities ahead and look forward to working hand in hand with you to make this school year truly amazing! We look forward to seeing you at our Fall Festival on September 28th(watch for a flier with all the details)

Warm regards, *Renee Nults*
