RE: Maywood-Melrose Park-Broadview School District 89
Emergency Generator
Project No. 13009

Dear Ms. McMahon:

We are pleased to inform you that the School Board, Maywood-Melrose Park-Broadview School District 89 intends to award the contract for the Emergency Generator to your firm. The contract amount will equal your base bid proposal of \$219,500.00. Upon the School Board's formal approval at their Board Meeting April 11, 2013, the contract will be prepared and be forwarded to you for signature.

This Letter of Intent authorizes preparation of your shop drawings. We will contact you shortly to arrange the pre-construction meeting. Please refer to specification section 01200 in the project manual for the agenda and begin preparing all necessary documents, bonds and insurance certificates.

Congratulations on your successful proposal. If you have any questions, please do not hesitate to contact me.

Sincerely,

Andrew Pigozzi, AIA, LEED-AP
