FOR ACTION

Subject: Authorization of the School Maintenance Grant Application

There is an opportunity to apply for the School Maintenance Grant that requires a Board approval prior to the grant submission before December 1. The \$50,000 the District is eligible to receive would be applied to a project for the summer that is described on the attached memorandum from Mr. Rosales. This action was required to submit the grant within the limits outlined by the ISBE.

I am recommending the Board authorize the Board President to sign the application for the School Maintenance Project Grant requesting the full amount of the grant, \$50,000.00, from the Illinois State Board of Education. If you have any questions, please ask at any time.
