**ALL IN...ALL CAVS**

## **A note from Principal Miller:**

Dear Students and Families,

Welcome to Fleming Middle School. I am honored to have the opportunity to lead a school with such persevering students, an extremely dedicated staff, and a supportive school community. I am excited

and eager to work with you as a partner in education to ensure your child's success.

Along with the teachers and staff, I will work hard to continue the legacy of success established by Fleming Middle School by building strong relationships with parents, students, and community partners. We will focus on character education initiatives during CAV TIME, Positive Behavioral Interventions and Supports (PBIS), a focus on high priority standards, the use of data to drive instruction, and to provide consistent implementation of the curriculum in a rigorous manner so that we can continue to increase all of the students' achievement.

All of us at Fleming Middle School are eager and excited to begin what promises to be a fantastic school year! This year is going to be amazing as we continue to provide academic experiences for our students that are rigorous, relevant, and help them build relationships while making real-world connections. As your principal, it is important to me that everyone who steps through our doors is excited to be here! This attitude enables us to meet the challenges of academic excellence in a positive, fun, and nurturing environment. Most importantly, I bring a belief that students are at the center of all school-related decisions. I am excited to unite my experience, my openness to learn, and my child-centered approach to support our students. Because the relationships between families and the school are vital to the success of our students, I encourage you to become involved in every way possible. I look forward to meeting you soon!

Sincerely,

Brian Miller  
Principal  
Fleming Middle School
