

RFP #24-25 Supplemental Digital Literacy Tool Grades Kindergarten-8

- **Purpose:** The Ector County Independent School District (ECISD) is seeking proposals for a digital literacy platform to supplement our core curriculum, Houghton Mifflin Harcourt and Pearson SAVVAS, and which is aligned to Texas State Standards. The digital literacy platform is designed to provide individualized support to students, ensuring all learners meet or exceed reading proficiency on Texas State Standards and become engaged, active readers. The RFP will be for the 2024-2025 school year. The proposal should include online digital literacy tools, assessments, and professional learning support.
- **Background Information:** Curriculum Associates proposes the web-based i-Ready Assessment and Personalized Instruction (i-Ready) in response to ECISD's need for a digital literacy platform to supplement core curriculum. With i-Ready, ECISD will benefit from intuitive data integrated with district applications via SSO, connected instruction, and service to support its outcome-based approach.
- **Cost: \$248,000**
Outcomes-Based Contracting - The total cost for professional learning is \$125,000 for 57 days supplied by the provider plus \$123,000 for the Teacher Toolbox resources
- **Funding Source:** Title 1 Funds
- **Recommended Supplier/ Service Provider:** Curriculum Associates LLC
