Re: 2024 Request for Partnership with Involved INC, NFP

CC: Board of Education

I am requesting that we partner with Involved INC, NFP to provide SEL support with a special focus on improving students' self-awareness, self-esteem, and self-efficacy skills. Involved INC's goal is to assist in improving student sense of connectedness to JTHS school community, improve student overall attendance, lessen behavioral infractions, and encourage student involvement in the JT community. We hope to partner with Involved Inc. to provide additional SEL support at our Pathways Campus for this semester.

The Administration recommends that the Board of Education approve the Request for Partnership with Involved INC, NFP to provide additional SEL support for our Pathways Campus. If you have any questions, please contact me at your convenience.

Thank you,

Jamila Cage
