

Joinder Agreement for Long-term Disability Insurance

Background:

For the current year, the school board chose to provide long-term disability insurance to all full-time support staff. Because of this increase in the number of our work force covered by our contract with our carrier, the insurance company is asking the board to approve this additional joinder agreement.

Recommended Action:

I recommend the board move to approve the joinder agreement with the Schools Insurance Fund of Wisconsin for group long-term disability insurance benefits under a master group policy underwritten by Madison National Life Insurance Company, Inc.
