BOARD OF TRUSTEES

Date: July 17, 2012 Presented By: Nancy Jones

Subject: Campus Student Handbooks Related Page(s) See handbooks

INFORMATION

BACKGROUND INFORMATION: The Beeville ISD campus handbooks have been revised. The main changes to this document from the previous year were formatting by TASB and wording changes by TASB. A few minor changes regarding bullying were included as well as food allergy. Most of the information was already in our handbooks, so only minor wording changes were made. The board does not need to approve these handbooks, but they are available for review. To download and review these, go to www.beevilleisd.net. If you want a paper copy of these documents, please contact Sherry Lucio, 361-358-7111, extension 7.

BOARD ACTION REQUIRED: None needed.
